The University of Mississippi

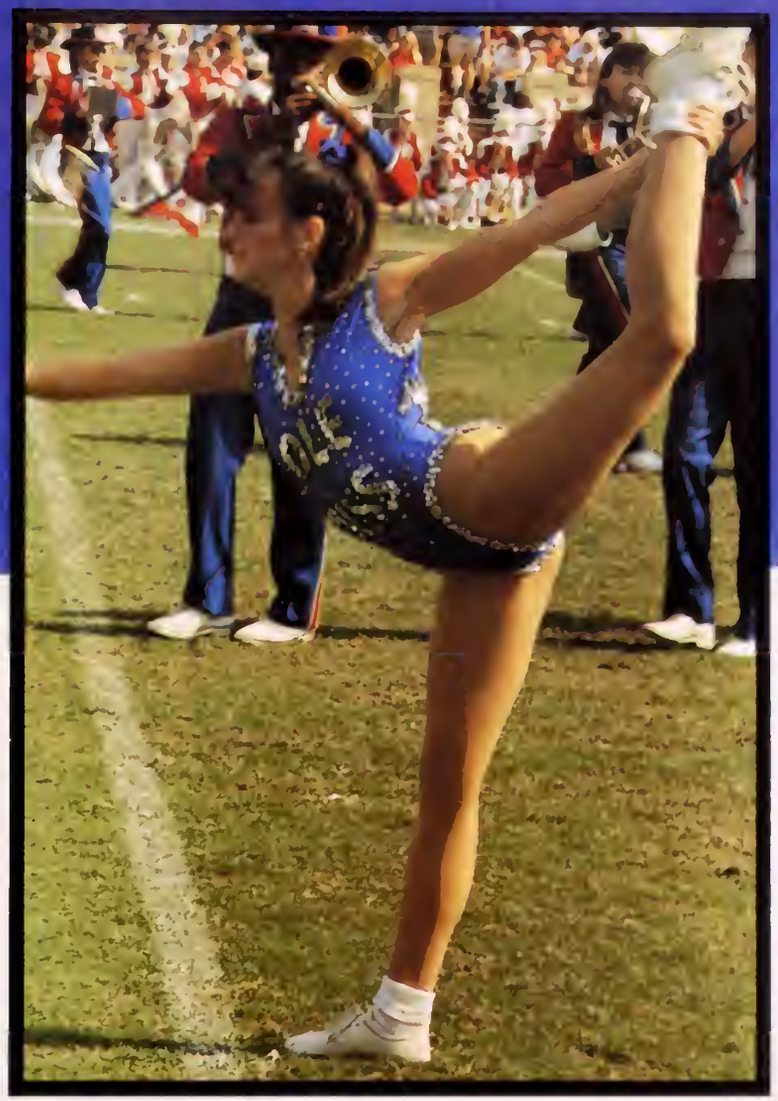

Alma Mater

Way down south in Mississippi
There's a spot that ever calls,
Where among the hills unfolded,
Stand old Alma Mater's halls.
Where the trees lift high their branches
To the whispering Southern breeze,
There Ole Miss is calling, calling
To our hearts fond memories.

Forward Rebels

Forward Rebels, march to fame,
Hit the line and win this game,
We know that you'll fight it through
For your colors red and blue.
Rah, rah, rah.
Rebels, you're the Southland's pride,
Take that ball and hit your stride,
Don't stop 'til the victory's won for
your Ole Miss.

Hotty Toddy
Are. . .You. . .Ready??
Hell Yes! Damn Right!
Hotty Toddy gosh almighty
who the hell are we?
Hey! Flim Flam. Bim Bam
Ole Miss by damn!

Govenor Kirk Fordice

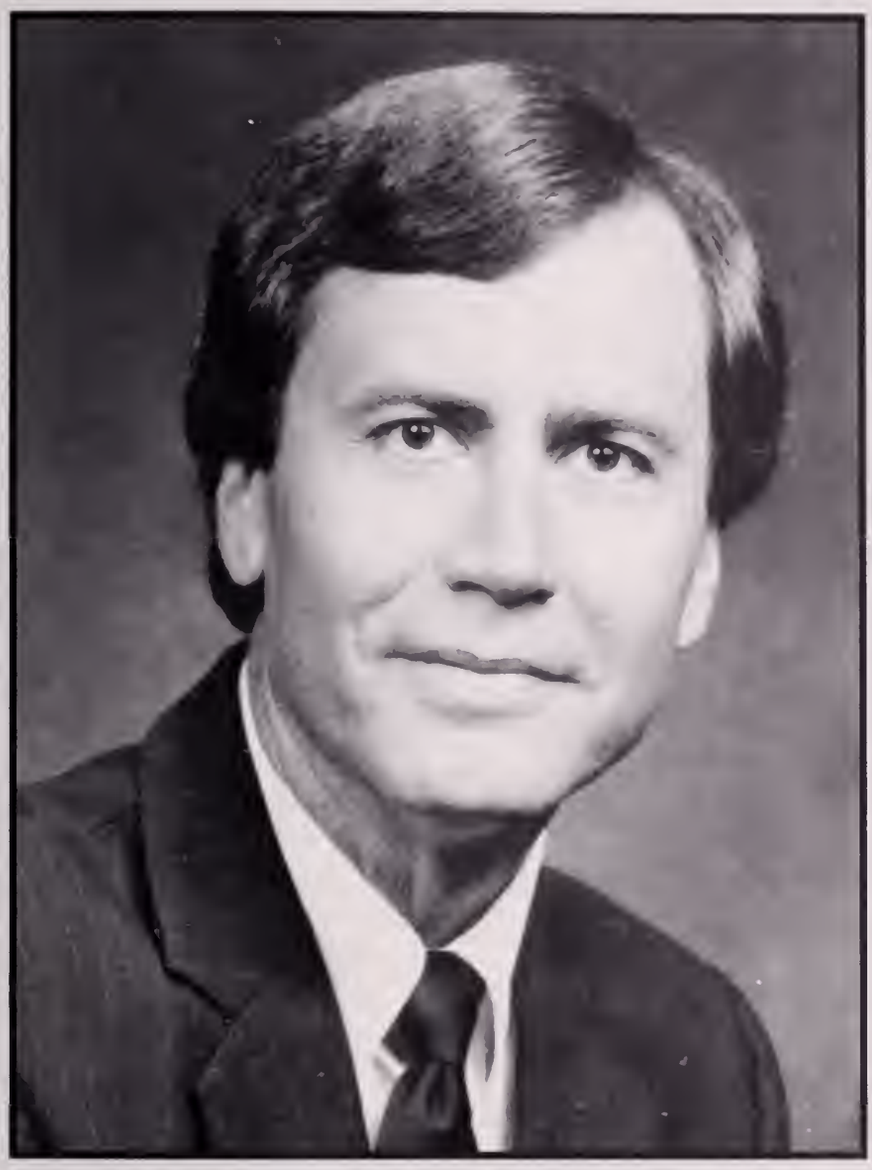

Kirk Fordice has achieved what no Republican since Reconstruction has been able to do. . .be elected Governor of the state of Mississippi. Governor Fordice has been given the opportunity to lead the state in a new direction at a time when the ability to lead has never been more crucial to the future of higher education across the state.

CHANCELLOR TURNER

Chancellor R. Gerald Turner is nearing the one decade mark of service to the University. Amid uncertain economic times and a state higher education controversy, Dr. Turner has managed to keep the school on track. The additions to the library and the construction of a natural products research facilities headline the recent improvements made at Ole Miss under Dr. Turner's leadership.

ACCOUNTING

Dean Tonya Flesher

The School of Accountancy is unique in that it is one of few in the country that is not simply a department within the business school. At Ole Miss, the School of Accountancy is completely separate and was established fourteen years ago. The school awards a Bachelor of Accountancy after four years and a Masters degree after five years. The School of Accountancy if fully accredited at both the Bachelors and Masters level. Students completing a program in accounting are very well prepared for jobs in CPA firms, industry, education, or government as well as for the professional certification examination.

BUSINESS

Dean Dr. Randy Boxx

The business world is constantly changing and growing, as is the demand for those that are educated in understanding and dealing with the changes. The School of Business Administration is devoted to preparing its students to enter today's business world with the ability to take on responsibilities at the administrative level whether in the private business sector or in the public, non-profit, area.

EDUCATION

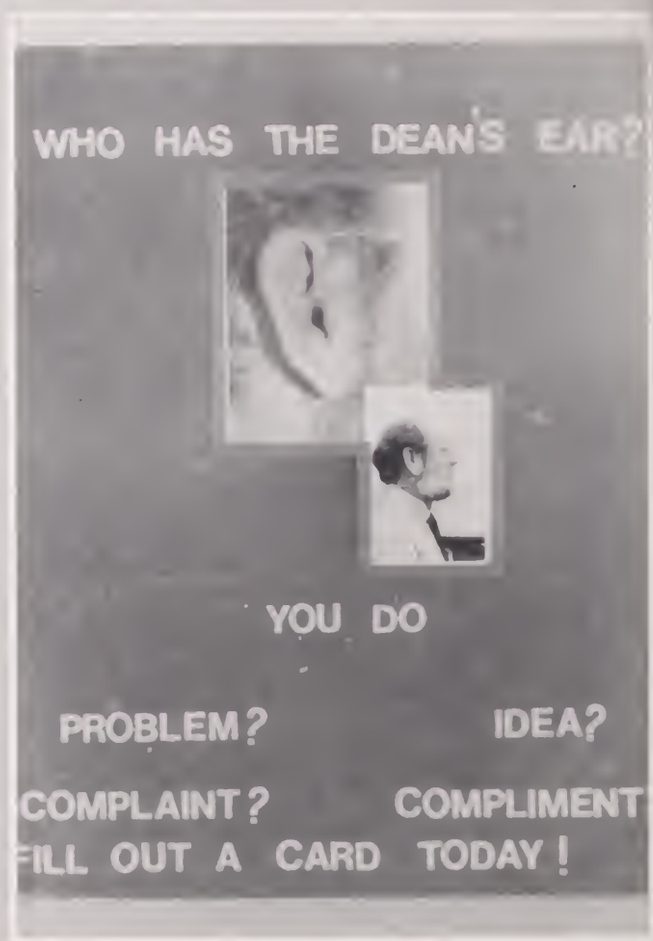

Dean James Payne

The School of Education is dedicated to preparing its students for leadership and service in school, home, and community. Graduates from the School of Education are qualified for a variety of positions as teachers, supervisors, coordinators, administrators, and guidance counselors. Within the school there are also a variety of Home Economics curriculums offered.

ENGINEERING

Dean Allie M. Smith

In 1854, the University of Mississippi School of Engineering had its beginning when Chancellor Frederick A.P. Barnard was appointed professor of mathematics, natural philosophy, and civil engineering. The School of Engineering is the oldest of its kind in the state and in the South. During the past one hundred thirty-eight years, the school has produced many outstanding students, some of which have become leaders on the state and national levels.

GRADUATE SCHOOL

Dean Michael Dingerson

Founded in 1927, the Graduate School offers graduate degrees in over fifty areas. Some courses at the graduate level were offered as early as 1870, but a definate program having a one year minimum residence requirement was not used until 1890. In 1927, the graduate school was formally organized to coordinate and administer graduate study in research.

LAW SCHOOL

Dean David E. Shipley

Established in 1854, the University of Mississippi Law School is the fourth oldest state-supported law school in the country. It is fully approved by the national accrediting agencies, is a member of the Association of American Law Schools, and is listed as an approved school by the American Bar Association.

The building which houses the law school is one of the best designed and equipped law teaching facilities in the United States. A model law teaching facility, the building features six classrooms, three seminar rooms, and a library with seating for four hundred sixty-five. Also included in the law school is a Moot Court area with two fully equipped courtrooms, two witness rooms, and a jury room. Each year, the law school has enrollment of approximately five hundred students.

LIBERAL ARTS

Dean H. Dale Abadie

The college of Liberal Arts is the oldest and largest division of the University. Students may earn degrees in a variety of programs including Aerospace Studies, Afro-American Studies, Art, Biology, Chemistry, Classics, Communicative Disorders, English, History, Journalism, Mathematics, Military Science, Modern Languages, Music, Naval Science, Philosophy, Physics and Astronomy, Political Science, Psychology, Social Work, Sociology and Anthropology, and Theatre Arts. These programs provide the foundation needed for graduate study or for more specialized training in law, medicine, theology, and other professional fields.

PHARMACY

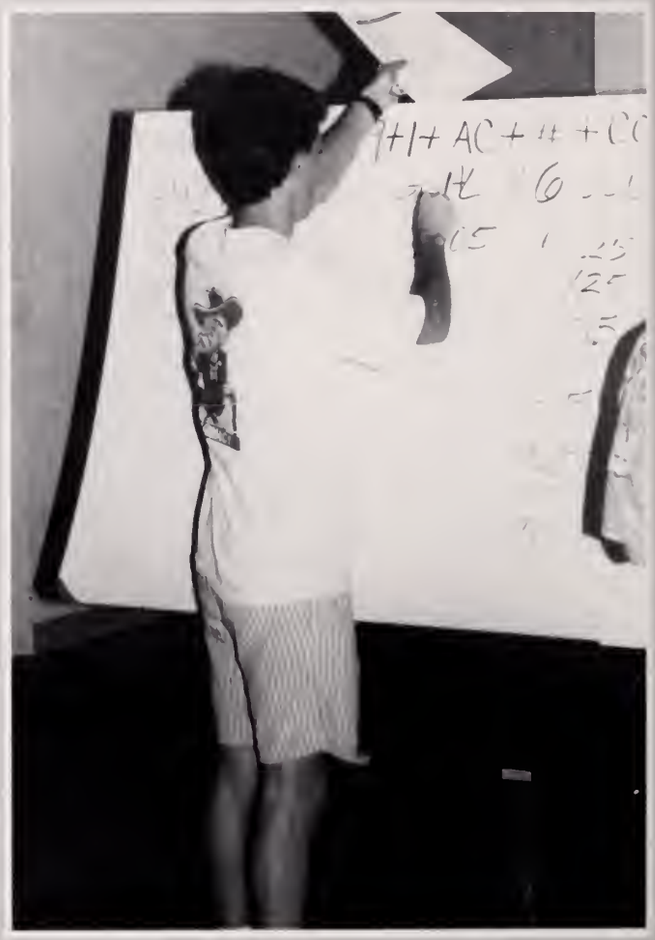

Dean Kenneth B. Roberts

The University of Mississippi School of Pharmacy takes pride in admitting to its professional program, students that have excelled both academically and socially. The Pharmacy School, located in Faser Hall, was founded in 1908. It offers students a five year program in which they may earn a Bachelor of Science in Pharmacy. In addition, it also offers curriculums in health care administration, medicinal chemistry, pharmaceutics, pharmacognosy, and pharmacology. Graduates of the School of Pharmacy have an academic foundation and professional experience which enables them to practice pharmacy in any of its various forms.

Development of the Natural Product Center is Underway

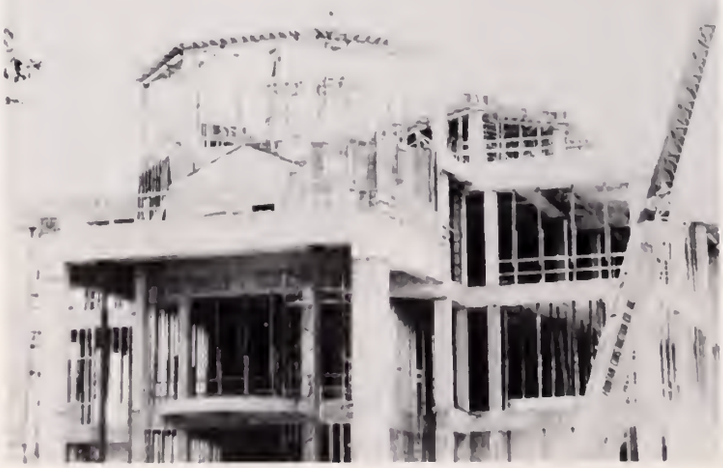

The newest addition to the row of science buildings that line University Avenue is the National Center for the Development of Natural Products. The completed facility will be a division of the already excellent Pharmacy school. Standing between Coulter and Faser Halls, the Center will enhance Ole Miss' formidable list of research facilities as well as increase the campus' visual appeal.

Dorm Life

▲ 1. *photo by Shelia Fox*

Every dorm at Ole Miss has a personality of its own that changes little over the years. Hanging out in the lobby, shooting pool, and watching Monday night football is still the routine for the residents of BIS and the party hearty freshmen of Stockard-Martin have dubbed their home "The Jungle."

Housing decided to increase security in women's residence halls this year by installing ID card reading locks to prevent unwanted visitors.

Hall meetings, dorm movie nights, and sneaking a case past the RA's makes up a part of the college experience that is uniquely Ole Miss.

Homecoming this year took place on the weekend of November 7. The Rebel football team successfully defeated Memphis State by a score of 17 to 12. Homecoming week was filled with many activities planned by the Student Programming Board such as t-shirt sales, concerts, games, and a casino night. The 1992 Ole Miss Homecoming Queen was Jennifer Long of Jacksonville, Florida. The court included nine members who were chosen by the football team. Jennifer Long was escorted by ASB president Stephen Johnston of Jackson. The freshmen maids were Abby Woodard of Holly Bluff, escorted by Kyle Wicker of Liberty, and Mandy Allen of Dallas, escorted by Cooper Manning of New Orleans, Louisiana. The Sophomore maids included Natasha Poularikas of Huntsville, Alabama, escorted by Trey Wicker of Liberty, and Meg Gregory of Fulton, escorted by Billy Quin of Kentwood, Louisiana. The junior maids were Danielle Franck of Metarie, Louisiana, escorted by Karl Ott of Osyka, Debbie McCain of Batesville, escorted by Markus Moore of Atlanta, Georgia and Christy Risher of Brandon, escorted by Paul Head of Vestavia Hills, Alabama. The senior maids were Kristi Brown of Greenville, escorted by Gary Abide also of Greenville, and Jennfer Pace of Corinth, escorted by Brad Gray of Olive Branch.

Nightlife in Oxford is a large part of being an Ole Miss student. During football season, fraternities have "late nights" and parties after home games. Students also flock to the local bars such as The Pub, Ireland's, The Gin, Forrester's, and Lafayette's. Hotty Toddy's and the Hoka are also popular gathering places. The nightlife in Oxford is quite varied with many places for students to choose from.

Ayers Case proposes changes in state's colleges

The Ayers case was heard in Oxford on Thursday, October 22, 1992. The case was originally filed in 1975 by the late Jake Ayers who claimed the state had not properly ended segregation by retaining five predominantly white and three predominantly black universities. The case also said the system's curriculum and salaries were not equal in number and funding. College Board officials said any closings or mergers are strictly options and final decisions have not been made. Students from all of Mississippi's public universities came out to protest at the federal building in Oxford. The judge heard arguments and gave the two sides 30 days to compromise and discuss the proposed closings and mergers. If the College Board proposal is accepted and approved, the state would operate four major universities:

- Jackson State University
- Mississippi State University
- University of Southern Mississippi
- The University of Mississippi
- Delta State, Alcorn State, and MUW would be down graded
- Mississippi Valley State would be shut down

Groundbreakings

▲ *photo by John Snook*

There were several groundbreaking ceremonies at Ole Miss this year. Construction got underway for a new training center for the football team, the library addition was started, and the National Product Center began. The new tennis courts were also dedicated this year. Many students and alumni alike turned out for these ceremonies to see Chancellor Turner and others do the groundbreaking. The training center will be a great addition to our athletic program and the National Product Center will enhance the Pharmacy school. The library addition, to be completed in about two years, will increase greatly the area and resources of the library.

The 75th Anniversary of the Business School starts off with a bang with Firing Line.

In celebration of 75 years of academic excellence, the School of Business hosted a PBS Firing Line debate this fall. Henry Kissinger, William F. Buckley, Dick Armey and Jack Kemp took to the verbal battlefield in Tad Smith Coliseum and squared off against James Fallows, Lester Carl Thurow, Richard Gephardt, and Jerry Brown. This group of distinguished gentlemen debated the merits of International Competitiveness before the sell out crowd. The School of Business also gained a new $150,000 classroom/computer lab, the first of its kind in the region, that will give Ole Miss Business students an edge when they go to compete in the real world.

Faces of Ole Miss Theater

The University of Mississippi Theater department put on several productions this year. The first play, The Homecoming, ran from September 24 through September 26. It starred Gene Rowee, Katie Witt, and Charles Frazure, and was directed by Scott McCoy. Harold Pinter's bleak depiction of disaffection and moral decay depicts a contemporary family adrift in a world without values. Something's Affot ran from November 5 to November 7, and its players included Lisa Batten, Cindy

Gold, Matthew Griffin, and Tom Gregg. This musical is loosely based on Agatha Christie's mystery masterpiece, Ten Little Indians. The department also performed Craig Luca's Prelude to a Kiss, starring Bill Sloan, Kelly Clinton, and Charles Frazure. This powerful fairy tale gives a portrait of sex, death, and compassion in a modern setting. Prelude to a Kiss ran from February 11 to February 13. Blithe Spirit, which ran April 22-24 and April 27-May 1, is hailed by critics as Noel Coward's best work. It starred Valerie Wilson, Jim Craven, Kelly Clinton, and Kate Rose. On December 3, 4, and 5, the University Theater department presented Mississippi: The Dance Company in Mississippi Movements, a show telling southern history. Showstoppers ran from March 25 through March 27. This presentation showed off some of Broadway's most memorable hits.

Elections '92

▲ *photo by Tucker Person*

▲ *photo by Tucker Person*

There were many elections this year, both on and off campus. On November 3, 1992, the country elected new leaders. Republicans George Bush and Dan Quayle were defeated by the Democrats, Bill Clinton and Al Gore. On campus elections included campus posts such as senatorial posts, Homecoming Queen, Miss Ole Miss, and Colonel Reb. Just as the girls above, many people came out to campaign for their favorite nominee. And then others really got into it such as this guy dressed as a chicken below.

How Do You Know When There's A

Football Game At Ole Miss?

▲ *photo by Todd Inman*

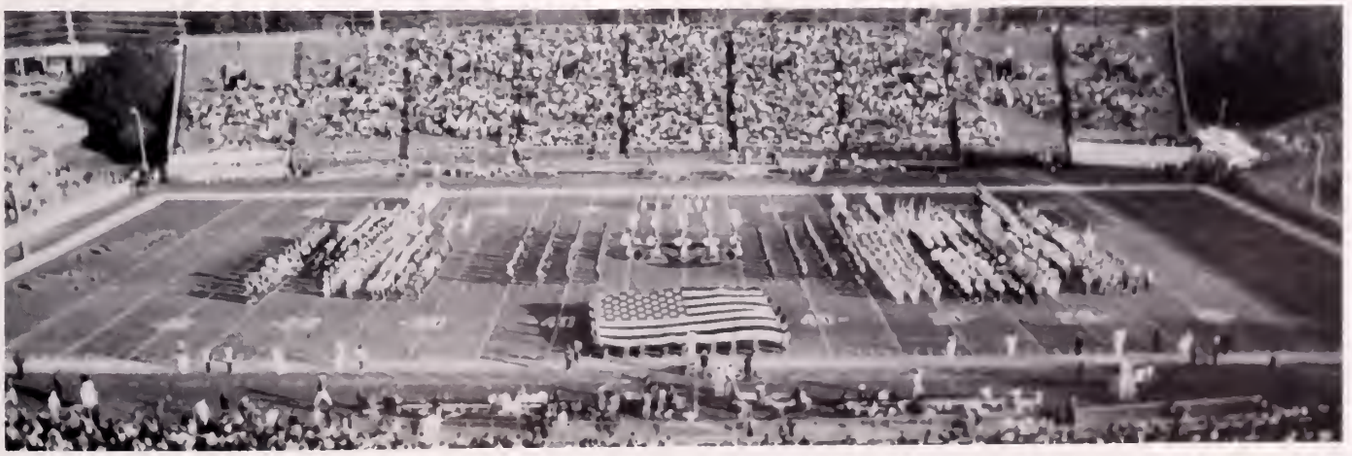

Football weekends at Ole Miss bring lots of things. You can always find a date, tailgating parties in the grove, picnics all over town, and lots of fun for everybody. The weekend always gets started with a bang at the pep rallies on Thursday. Then early Saturday people will start crowding the grove to get their spot for tailgating. They'll enjoy the weather, the people, and the food before going into the game. This season proved to be a good one with victories over such rivals as LSU and Mississippi State. With these wins we won a place in the Liberty Bowl against the Air Force, and spirits were high as we took home the win.

Every year students look forward to SPB sponsored concerts. This year the University of Mississippi hosted Widespread Panic, Allgood, and the Radiators. They give students an excuse to put down their books and have a good time.

A Time To Remember

October, 1992, marked the thirtieth anniversary of James Meredith's controversial enrollment at Ole Miss. Three decades ago James Howard Meredith entered the University of Mississippi and became Ole Miss' first black student. Meredith opened the door for many others to attend Ole Miss. James Meredith began an uphill battle against segregation and bigotry in Mississippi after listening to John F. Kennedy's inaugral address on January 20, 1961, and he began a struggle that would forever change race relations in Mississippi.

Smile. . . It's Candid Camera!

This year's annual pictures were taken on September 4th-25th and October 5th-9th in the Union by Candid Campus. Students were given dates to be photographed and they came to the union ready to take this year's yearbook picture. The students were also given the chance to buy their yearbook picture. Candid Campus sent the students who had their picture made a proof of it and the students had an option of buying a package from the company.

1. As the students entered the room they stood in line to get the information from the front desk that was needed in order to have the picture taken. 2. They then went in to sit on the stool and smile for the camera. 3. Good posture and perfect foot placement were required to get a good picture.

ALL AROUND OXFORD

Ole Miss is one of the luckiest colleges in America because it is nestled in the town of Oxford. Besides being famous for the University, this beautiful, southern town is world renowned for being the home of William Faulkner. Rowan Oak, the name of his home, is a typical tourist spot. Oxford is also being recognized as the home of new authors such as John Grisham, Larry Brown, Barry Hannah, and Willie Morris. There have also been three movies filmed here in Oxford; Intruder in the Dust, Heart of Dixie, and The Gun in Betty Lou's Handbag.

One of the reasons Oxford is liked is because of its atmosphere. The Oxonians enjoy all parts of the city from First Saturday celebrations, the annual Christmas parade and the Fourth of July celebration, to Square Books, The Gin, and the Hoka.

The people here are friendly, and this, along with the students and faculty at Ole Miss make Oxford a great place to live.

Oxford's firemen are well-liked because of the good jobs they do and their willingness to respond quickly to every call. 3. The Hair Connection is a place that is used a lot by students to get the look they want. 4. Late night movies, decorated walls, and cheesecake are just a few of the things that cause the Hoka to be one of the most cultural places in Oxford.

Lambda vs. CCC

Anyone who has read The Daily Mississippian this year is aware of the uproar between the newly founded CCC, Concerned College Conservatives, and Lambda, a support group for gays, lesbians, and bisexuals. The members of CCC feel that Lambda is not supported by the entire student body and therefore should not receive funding and use of university facilities like other clubs. There have been articles in the paper all year from members of the two sides, and comments from other students. Most seem to feel that if the CCC are allowed to meet and express their opinions then Lambda should be also.

1. CCC president, Leonard Curgison, gives his speech to the group during their meeting. 2. An officer of the CCC counts hands while they take a vote during a meeting. 3. Talking about and planning the strategy for the new group can be a difficult job with lots of headaches. 4. Chris Baker lifts his arm in favor of the side he has chosen in the vote.

The University of Mississippi

★ The University's first session began Nov. 5, 1848, with four faculty members and a general curriculum in liberal arts.

★ Women were admitted for the first time in 1882.

★ The first summer session was held in 1893.

★ Hubert Shands, author of *White and Black* earned the first PH.D. to be granted by U.M. in 1893.

★ In the fall of 1893 football was introduced by Alexander Bondurant, teacher of Greek and Latin.

★ The 1896-1897 yearbook was the first to be published. It was given it's title, the *Ole Miss* by Miss Elma Meek.

★ In February 1943, Delta Psi's built an open fire in their house because there was no heat.

ASB Spring Elections

The 1993 spring general election held February 16, brought forth the student body once again to decide the officials for the University of Mississippi student government. There was only one runoff which was for the position of ASB President. Once again the students met at the polls to decide the ASB President between Katelyn Brown and Sandy Sanford.

Elections Commissioner Matt Stroud estimated a turn out of 2,056 voters for the primary election. Elections were held campus wide so every student had the opportunity to vote. After many controversies over campaign violations the elections ended with a new Associated Student Body government the University of Mississippi student body can feel confident in.

1992 Maid of Cotton

Courtney Stewart

Courtney Stewart is the 1992 Maid of Cotton. She is the daughter of Mr. and Mrs. Clyde A. Stewart of Brownsville, Tennessee. Courtney is a senior at Ole Miss, and she maintains a 3.17 grade point average in pharmacy. She is a member of Delta Delta Delta sorority and is active in many campus organizations and honoraries. Courtney was chosen from twenty finalists representing nine cotton-producing states on December 28, 1991, in Dallas. Finalists were judged on the basis of personality, poise, communication skills, and appearance. Her duties as Maid of Cotton include an appearance at the Cotton Bowl, serving as a national and international ambassador for the United States cotton industry, and traveling across the United States and the Far East as a spokesperson for the cotton industry. The Maid of Cotton also participates in consumer relations events, addresses civic clubs and industry organization meetings, and deals with designer and retail promotions.

Miss Oxford Hospitality

Jennifer Ayers

Jennifer Ayers, the daughter of Mike and Debbie Ayers of Oxford, is currently serving as Oxford's Miss Hospitality. Jennifer is a sophomore majoring in Special Education and Speech Pathology here at Ole Miss. She is a member of "The Pride of the South" marching band and Tau Beta Sigma, a national honorary band society. Jennifer is also very active in Baptist Student Union and BSU's "Gift of Song". Jennifer competed in the statewide Miss Mississippi Hospitality pageant this past August. She is sponsored by Todd Inman and the Oxford Mall.

1992-93 MISS BLACK AND GOLD

Debbie McCain

Debbie McCain was crowned this year's Miss Black and Gold. She is the daughter of Charles and Ernestine McCain of Batesville, MS. Debbie is a Junior majoring in English and a member of Risque Business, a theatrical drug awareness group here on campus. Alpha Phi Alpha Fraternity, Inc., sponsors the Miss Black and Gold pageant and the winner also serves as the fraternity's Sweetheart. Debbie is now eligible to compete in a national pageant that is a preliminary for the Miss Mississippi pageant. The proceeds from the Miss Black and Gold pageant are donated to the March of Dimes.

1992 Miss University

Lenena Holder

Lenena Holder, the daughter of Mackie and Janice Holder of Booneville, MS is this year's reigning Miss University. The pageant was held last March so that she could go on in July to represent Ole Miss in the Miss Mississippi pageant. During the Miss Mississippi competition, Lenena won her talent division and received a scholarship. She also placed in the pageant's top ten. Lenena is a Senior majoring in Music and is a member of the Ole Miss Concert Singers as well as being involved with the Ole Miss Opera.

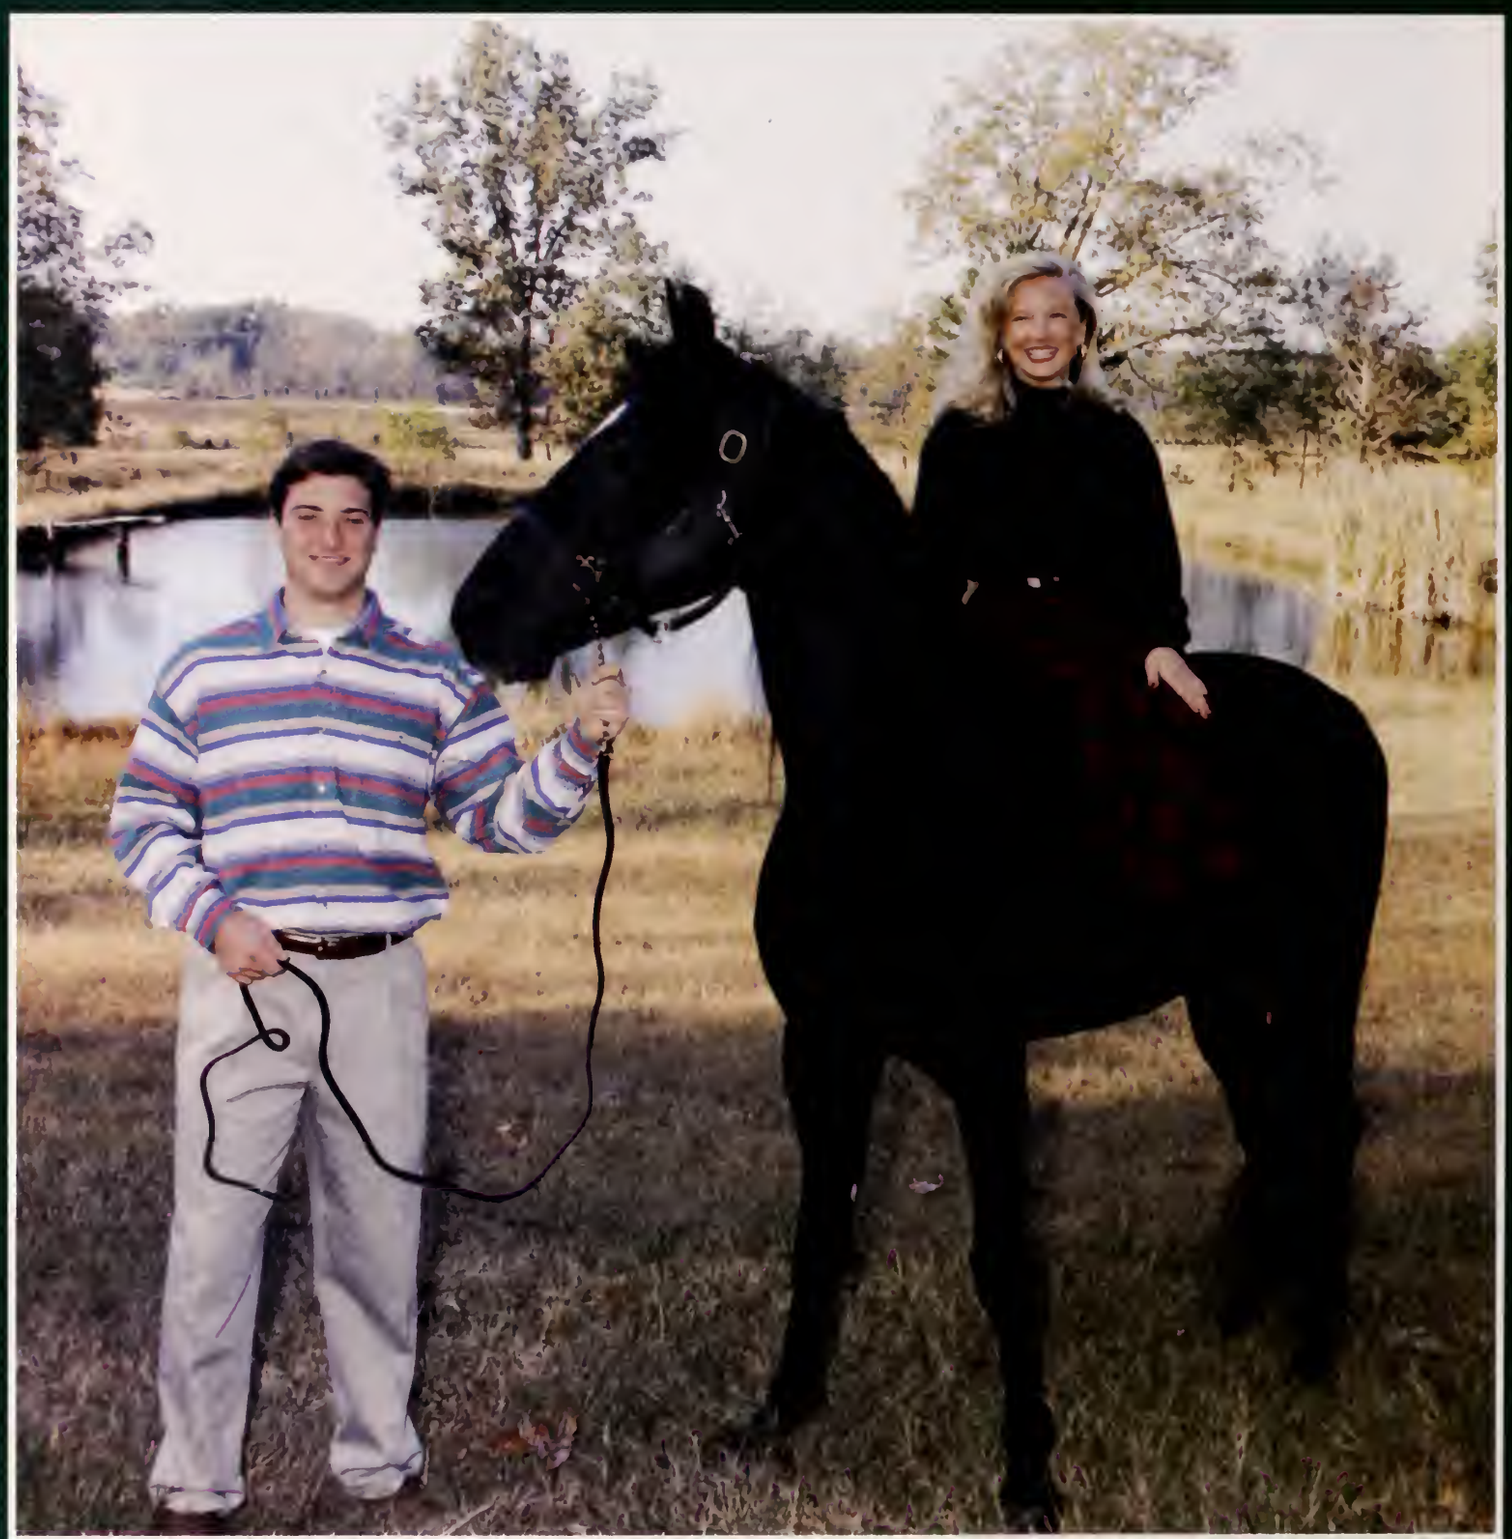

1992 Mississippi Miss Hospitality

Leigh Lucas

This year's Mississippi Miss Hospitality is Leigh Lucas, daughter of Mr. and Mrs. Van Lucas of Newton. Leigh is a Senior majoring in Fine Arts with an emphasis in Education. She has been involved in many diverse activities here at Ole Miss. Leigh is currently serving as ODK President, Lambda Sigma Secretary and Social Chairman for Chi Omega sorority. She is also a member of Mortar Board, Order of Omega, RUF, University Standing Committees, UM Ambassadors, ASB and SPB Committees. Leigh is proud to be serving as this year's Mississippi Goodwill Ambassador.

Colonel Reb and Miss Ole Miss

Jason Garner

Colonel Reb for 1992 is Jason Garner, son of Mr. and Mrs. Jack Garner of Jackson, MS. Jason, a Marketing major, has been an outstanding leader during his past four years here at Ole Miss. He has been a member of various organizations: Lambda Sigma, SPB Committees, Phi Gamma Nu business fraternity, Omicron Delta Kappa, Mortar Board, MS Governmental Affairs Committee, Standing Committee on Academic Affairs, UM Ambassadors, and College Republicans. Jason has served as an officer of Sigma Chi fraternity, Vice-President of Order of Omega, Vice-President of Inter-Fraternity Council, Vice-President of Alpha Lambda Delta, and Vice-Chairman of the ASB Finance Committee. Jason has also been very active in Reformed University Fellowship and has spent two summers working at Alpine Camp for boys. It is easy to see why Jason was chosen as this year's Colonel Reb.

Denise Maness

This year's Miss Ole Miss is Denise Maness, daughter of Mr. and Mrs. Steve Maness of Jackson, MS. Denise, a History major with a minor in Business, always has a smile on her face for everyone she meets. She has been involved in UM Ambassadors, intramural sports, Homecoming Committee, SPB Committees, Lambda Sigma, ODK, Mortar Board, Phi Alpha Theta History Honorary, College Republicans, Wall Street South, Senior Class Committee, and RUF. Denise has also been a Sigma Chi little sister, a '90 Bat Girl, an ASB Vice-Presidential Assistant, Director of Student Development and Director of School Spirit for the ASB Cabinet, Social Chairman for Order of Omega, Student Representative for several University Committees, and a Panhellenic Officer for her sorority, Kappa Delta. Because of her involvement and service to the University, Denise was an easy choice for 1992 Miss Ole Miss.

1992 Homecoming Queen

Jennifer Long

Jennifer Long, daughter of Mr. and Mrs. Bill Long of Jacksonville, FL, has been crowned Ole Miss's 1992 Homecoming Queen. She is a Senior majoring in Business and has been involved in many various activities here at The University of Mississippi. She has been a member of UM Ambassadors, Senate, and ASB Committees. Jennifer placed in this years Top Twenty-Five in the Parade of Beauties and is a Sigma Nu little sister. She is a member of Mortor Board, ODK, Order of Omega, Who's Who and Phi Kappa Phi. She also serves as Treasurer for her sorority Delta Delta Delta.

Dale Beavers

Dale is the youngest member of this year's group of Favorites. He is a Sophomore from Del Rio, TX double majoring in Public Administration and Economics. Dale's past two years here at Ole Miss have been busy. He has served on ASB Senate, Lambda Sigma Executive Committee, Government Operations Committee, Phi Eta Sigma, Executive Task Force, College Republicans, and MS Governmental Affairs.

Tiffany Daughtry

Tiffany is from Tyler, TX and is a Senior majoring in Marketing. And even though Tiffany is here at Ole Miss on an Academic scholorship, she has remained involved in campus activities. She has served as a member of Rush Committees for her sorority Kappa Kappa Gamma, been a Pike Calendar girl, and is a Sigma Chi little sister. And all of this while managing to stay on the Dean's Honor Roll and the Chancellor's Honor Roll.

1993 Most Beautiful

Marisa Huddleston

Marisa, daughter of Dr. and Mrs. Harvey Huddleston of Shreveport, LA, is the newly crowned Most Beautiful. She is a Junior majoring in pre-nursing and is involved in various activities on the Ole Miss campus. Marisa serves as Second Vice-President for her sorority, Zeta Tau Alpha. She is also a member of ASB School Spirit Committee, ASB School Student Health Committee, College Republicans, and the Ole Miss Modeling Board. Marisa was sponsored by Sigma Phi Epsilon.

Auburn

Rebels Maul Tigers

The Ole Miss Rebels defeated the Auburn Tigers in the first game of the season, 45-21 which was the first regular season victory over Auburn in 40 years. The Rebels jumped out in front of the Tigers in the first quarter and the lead would never be relinquished.

The Rebels scored first on a Marvin Courtney 1 yard plunge getting the first points of the 1992 campaign. Quarterback then hit Germaine Kohn in the same quarter for a touchdown giving the Rebels the 14-0 lead.

Auburn managed to score in the second quarter on a three yard plunge that was set up by a bomb from Stan White to Orlando Parker.

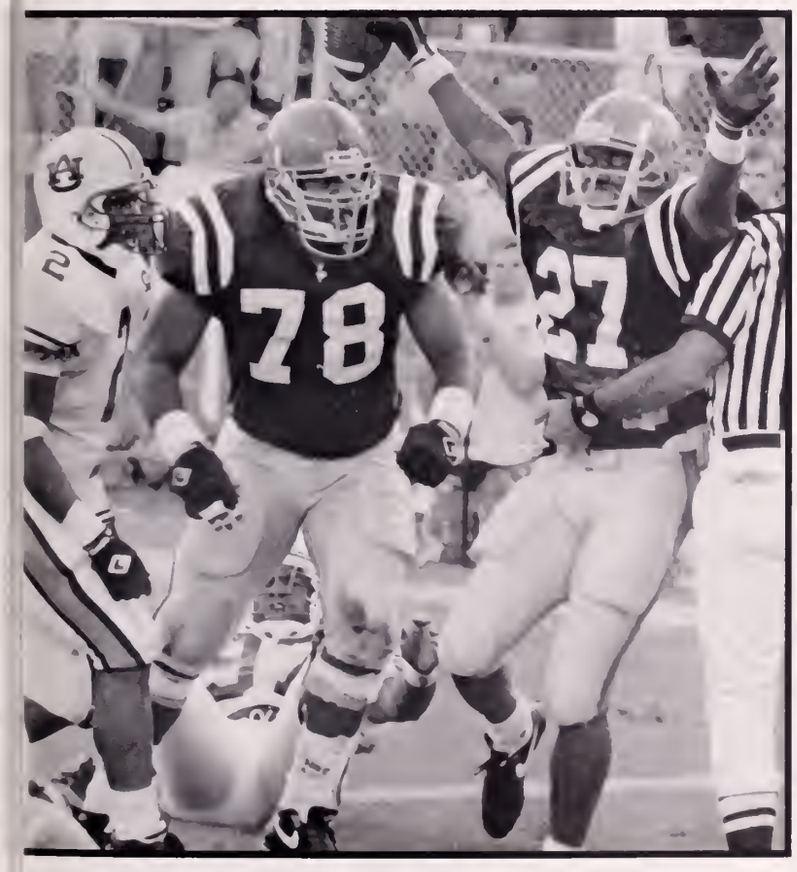

The Rebels utilized the running ability of Cory Philpot, Jeremy Veasley, and Courtney to get the ball close to the endzone all night long.

The turning point of the game occurred when defensive end Marquise Thomas hit White and linebacker Cassius Ware took the ball out of the air and rumbled for 91 yards and the touchdown.

The Rebels never looked back as they totally dominated the Tiger offense and used big plays such as the 45 yard interception for a touchdown by Johnny Dixon.

Kentucky

Rebels rip the Cats

The Ole Miss Rebels behind Cory Philpot's 135 yards defeated the Kentucky Wildcats in Oxford, 24-14. Kentucky was troubled all day long by the Rebel defense.

The Rebels got on the board early on a Cory Philpot 2 yard plunge. The Rebels got down the field quickly as Marvin Courtney raced from the Rebel 43 to the Wildcat 5.

The Rebels scored again before the half ended on a 27 yard field goal by Brian Lee and a Jeremy Veasley 1 yard plunge giving the Rebels the 17-0 lead.

The Rebel defense kept Kentucky quarterback Pookie Jones on his toes for the rest of the night even though the Wildcats still scored 14 points before the game ended.

The Rebel defense totally dominated the Kentucky offense by only giving up 244 yards of total offense. "They (the Rebel defense) played outstanding by looking at the statistics," Brewer said. "We only made a couple of mistakes and we knew it when we made them."

Vanderbilt

Rebels shut out of endzone by Vandy Defense

The Ole Miss Rebels were defeated by the Vanderbilt Commodores in Nashville, 31-9. Although the Rebels moved the ball into Commodore territory several times, they absolutely couldn't score.

The Rebels got their points off the toe of Brian Lee. Lee managed to score even though the other Rebels could not. The Rebels managed only to rush for 70 yards in the first half and Shows passed for 91 in which no touchdown points came to the rebels.

"It just seemed like every time we got down there close to the endzone, something went wrong," Ole Miss guard Everett Lindsay said. "You can't expect to win games kicking field goals."

The Rebels did little in the second half to get the ball into the endzone. Quarterback Russ Shows was sacked five times by the Vandy defense which hindered the Rebel progress.

"We had every opportunity in the world (to score)," Coach Billy Brewer said. "We had chances five or six times in the game but never took advantage of what we had."

Memphis State University

Rebel defense gives Tigers all they can handle

The Ole Miss Rebels defeated the Memphis State Tigers in front of 42,874 fans. The Rebels kept the Tigers out of the endzone and at the time collected its sixth win of the season assuring itself a winning season.
"I gave the ball to Coach (Joe Lee) Dunn," Brewer said. "In this day and age with great offensive teams, to hold them without a touchdown is quite a compliment to him and his staff."
The Rebel defense was everywhere as it sacked Memphis State quarterback Steve Matthews four times in the first half.
Brian Lee got the Rebels first points of the day with a 37 yard field goal. Lee's attempt was set up by excellent running by Cory Philpot.
The Tigers tied the game very quickly with a 44 yard field goal by Joe Allison thus tying the game at three.
The Rebels gave the Tigers ample chance to score on miscues but the Rebel defense was always there to turn them back.
The Rebels scored their first touchdown of the night on a three yard dive by Russ Shows. Shows' run was set up through the excellent running by Philpot, Marvin Courtney, and by a 24 yard pass to tightend Thomas McLeish.
The Rebels scored later on a 6 yard pass to tightend Chris Turner. Turner's touchdown was his second of his career. A 44 yard pass to Eddie Small moved the ball into scoring position for the Rebels.
Memphis State scored the only points of the second half and both were field goals. They used short rollouts to move the ball quickly down the field.
Allison hit a 23 yard field goal and a 48 yarder to bring the score to 17-12 where it stood the rest of the game.
The Tigers had a chance to score late in the game but once again they were turned back by the Rebel defense.
Dewayne Dotson's pressure of Matthews forced him to hang a pass that was picked off by freshmen Michael Lowrey and returned to the Tiger 39.
The Rebel offense stalled and gave the Tigers another chance, but were turned back this time with a Dwayne Amos interception.

Alabama

Alabama proves too strong for Rebels

The no. 4 Alabama Crimson Tide defeated the Rebels 31-10 in a key West division matchup. The Crimson Tide slowly chipped away at the score as the Rebels were always one step behind.

"Mississippi was bringing about eight guys up to stop the run all day," Alabama quarterback Jay Barker said. "We set lots of one on one coverage and when it's like that, our talented wide receivers just make my job easier."

Alabama got its first points of the game early in the second quarter on a 22 yard touchdown to their speedy criminal wide receiver David Palmer. This was a combination used by Barker all day. The play was set up after Alabama's punter Bryne Diehl used a terrific roll to stop the ball inside the Rebel 5 at the 2. Quarterback Russ Shows was then intercepted at the 13 giving the Crimson Tide first and ten at the 13. "All I did on that pass was throw it up to David," Barker said. "I really had a good time today because we came out and threw more than we usually do."

The reason that Barker threw more was because of the tenacious Rebels' running defense. The Rebels held Alabama to only 83 total yards rushing.

The Rebels had a chance to score early in the first quarter as they drove down the field behind Cory Philpot and Marvin Courtney. Brian Lee then came out as the drive stalled and missed a 51 yard field goal.

Alabama scored again late in the second quarter on a two yard plunge by Derrick Lassic to pull the score to 14-0.

The Rebel offense then decided to pull the score closer on a big play. Russ Shows dropped back and hit Eddie Small on a big 53 yard touchdown pulling the score to 14-7 after Lee's extra point.

Alabama decided that they wanted three more points before the half ended so they added a 28 yard field goal by Michael Proctor giving Alabama the 17-7 lead as the halftime ended.

"We were really ready to play in the first of the game," Rebel cornerback Dwayne Amos said. "After they got that punt on the two, and then got the interception, things just started to go their way."

Alabama broke the game open in the third quarter on a one yard plunge by running back Sherman Williams putting Alabama up 24-7.

The Rebels drove down the field early in the fourth but couldn't get a touchdown. Having to settle for a Brian Lee 32 yard field goal, the Rebels inched at the lead with a 24-10 score.

Alabama took the ball later in the fourth and drove down on crisp passes from Barker to his speedy receivers. With first down at the Rebel 4, Williams took the ball on an inside give and raced in for the score ending the game at 31-10.

"Alabama's very well coached and had a good pass rush," quarterback Russ Shows said. "We still should've been able to move the ball more, but it just wasn't our day and it didn't come together."

Louisiana State University

Rebels shutout the Tigers

Trick or treat? The Ole Miss Rebels gave the LSU Tigers all that they could stand as the Rebels defeated the Tigers 32-0 in Mississippi Memorial Stadium.
The Rebel defense again dominated as the Tigers were kept out of the endzone. LSU quarterback Jamie Howard was kept on his toes all night.
The Rebel offense didn't look too shabby on Halloween night. The first few drives of the night ended without any points, but after Cory Philpot and the Rebels got cranked up there was no turning back.
Brian Lee got the Rebels' first point of the night on a 32 yard field goal. The Rebels also scored on a 5 yard touchdown by quarterback Russ Shows.
The Rebels then took advantage of LSU miscues for the rest of the game as linebacker Lynn Ross hit a Tiger running back and Tony Collier moved the ball into Tiger territory at the 43. Shows then hit receiver Germaine Kohn for a 41 yard touchdown pass.
Lee added two more field goals to end out the Rebel scoring at 32. The Tigers were shutout by the Rebels for the first time since 1966.
"They (LSU) have an explosive team with a lot of weapons that can hurt you," Brewer said, "but we were able to shut them down when we had to."
Cornerback Dwayne Amos led the Ole Miss defense on the night with two key interceptions that moved the ball into Tiger territory for the Rebels.
"I was glad to get the ball in position for the offense," Amos said. "As long as we're getting the offense the ball, we know we are getting a chance to win."

Tulane

Rebels Rout Tulane

The Tulane Green Wave came into Oxford hoping to trounce the Ole Miss Rebels. The Rebels had other plans though as they toppled them, 35-9.
The Rebels scored first on a 26 yard pass from quarterback Russ Shows to Germaine Kohn. The Rebels scored again in the second quarter on a 2 yard run by Shows.
Shows was named as the offensive player of the game for his performance against Tulane. He scored twice for the Rebels and the Rebel defense did the rest of the work.
Johnny Dixon won defensive player of the game from the Mississippi Sports Writers Association for his 13 tackles. Cassius Ware was not far behind him with 11.
The Rebels scored two more times in the second half as fullback Marvin Courtney caught a one yard pass from Shows that put the game out of reach.
Kohn added another spectacular touchdown on a 65 yard punt return that really iced the game for the Rebels.
"He's a big play maker for us," Brewer said. "If you put him in he's going to get the football."
The Rebel defense kept the Green Wave out of the endzone for the rest of the game only giving up 226 total yards while only 99 yards were rushing.
Brewer said that the crowd was a big reason for the Rebel success.
"One of the things that turned the game around was playing at home," Brewer said. "If this game would have been on the road then we would have had a different result."

Egg Bowl

Never say Never, Jackie

After last year's Mississippi State victory in Starkville, Jackie Sherrill said as long as he was the coach Ole Miss would never beat Mississippi State, but the Ole Miss Rebels fooled him.

The Rebels moved up to 19 in the Associated Press Poll and recaptured the Egg Bowl Trophy with a 17-10 victory.

"To come home and win six straight games in Oxford, Mississippi is a real key to our season," Coach Billy Brewer said. "Against all odds we came up with a big win."

Both teams failed to score on their first several possessions, but the Rebel defense led by Chad Brown let the Bulldogs know they were in for a long day.

Brown led the Rebels with 13 tackles and two sacks.

"The first play of the game they gave the ball to the fullback and I stuck him in the mouth letting them know they were in for a bad day," said Brown.

Mississippi State jumped out to a 7-0 lead in the second quarer after a Rebel miscue gave them the ball, first and ten at the Rebel 20.

The Rebels then utilized the quickness of runningback Cory Philpot to get the ball inside the Bulldog 10 yard line. Quarterback Russ Shows then hit Marvin Courney in the endzone for a touchdown.

The Rebels got their first lead of the game on a seven yard jaunt by running back Cory Philpot. After Brian Lee's extra point, the score was 14-10. The Rebels added another field goal late in the fourth quarter hopefully putting the game out of reach.

Mississippi State had other plans though as they drove the ball quickly down the field. Quarterback Todd Jordan led the Bulldogs down the field with crisp passes, but he was later intercepted by Michael Lowrey.

The Rebels then had a chance to chew away at the clock, but Philpot was stripped of the ball at the Rebel 4 giving Mississippi State another shot at the endzone.

"I felt like having a great season then doing this would be disappointing," said Philpot. "Our defense stuck in there and saved us and so here we are."

The Bulldogs were stopped on three plays and gained new life after a Rebel defender was called for pass interference on third and goal.

The Bulldogs tried several times to force the ball inside, but were turned back by the Rebel defense. Mississippi State quarterback Greg Plump was hit by Dwayne Dotson making it fourth down.

The Bulldogs last hope was thwarted as the fourth down pass went array giving the Rebels the win and the Golden Egg.

Liberty Bowl

Rebs finish year with a big win over Air Force

Cinderella went to the ball during the football season of 1992-1993 and the band played Dixie all the time.

Picked by nearly all preseason analysts to finish in the cellar of the Southeastern Conference's Western Division, the Ole Miss Rebels waltzed past the prophets of doom, Jackie Sherill's Mississippi State Bulldogs and Liberty Bowl foe Air Force en route to a 9-3 season which sent shockwaves throughout the college football world.

"I have to take my hat off to this Rebel team," Ole Miss head coach Billy Brewer said following Ole Miss' 13-0 stuffing of Air Force on Dec. 31 in Memphis. "No one gave us much hope of having a winning season and not only did we reach that goal, but we won nine games. This is only the second time in 20 years that has happened."

Ole Miss defeated Air Force using the same formula with which they had held off opponents throughout the entire season — taking an early lead and holding on with defense. Dotson, Ware and Company saw to that all year.

"Our goal before every game is to finish with a shutout," Ole Miss linebacker and Liberty Bowl MVP Cassius Ware said. "I've never won anything like this before."

But Brewer knows all about it. The 10-year SEC coaching veteran and dean of the Southeastern Conference corps in 1992 played his patented success-in-adversity game and once again defied the odds and won when losing seemed imminent.

"I have never seen a defense at Ole Miss play better than this group has played this year," Brewer said. "We had some good athletes back when Warner (Alford) and I played but they were all slow. We couldn't make the team now. The athletes we have today are amazing. I think we're one of the better defensive teams in the country."

Brewer's Rebels in 1992 were nothing short of amazing. So was the fact that when Ole Miss defensive back Tony Collier intercepted Air Force quarterback Scott Teigen's pass late in the fourth quarter to ice the Rebel win, there were exactly 38 seconds left on the game clock. The number 38 was worn on the back of Roy Lee "Chucky" Mullins.

"Some strange situations have occured since Roy Lee 'Chucky' Mullins' injury," Brewer said. "It was fitting that after that final interception, there were 38 seconds left for Ole Miss to end the game."

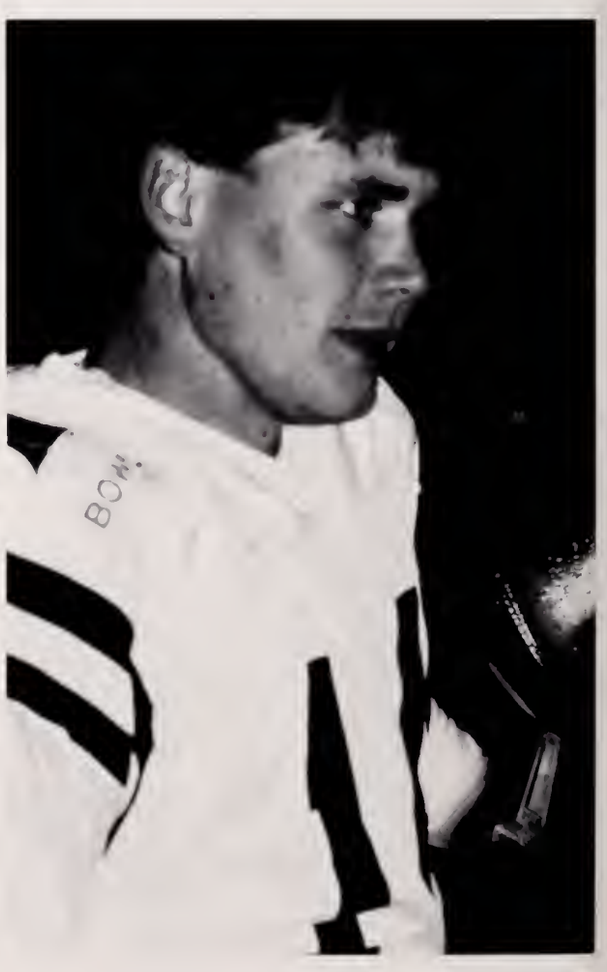

For Ole Miss, 1992 signified the return of greatness through a relentless new defensive scheme and the revival of a winning attitude after a lackluster 1991. It signified what the word Rebel football is all about — success-in-adversity.

What A Year

Rebel Basketball

The Rob Evans' Era Begins

The University of Mississippi selected Oklahoma State assistant Rob Evans to succeed Ed Murphy as head basketball coach of the Rebels. Evans was named to the post March 30.

"I think this is the right situation and an opportunity that's fixing to blossom," said Evans during a press conference held on campus. "The Southeastern Conference, as you know, is one of the toughest leagues in the country, and I think Ole Miss is one of the best jobs in the country."

Ole Miss Athletic Director Warner Alford hailed Evans as "the right man at the right time."

"It was a clear-cut choice that Rob Evans was the man to lead our basketball program," Alford said. "Not only in recruiting, not only in coaching on the floor, but because of the other areas that he would represent the University of Mississippi off the basketball floor."

The credentials Evans brings into his position are impressive. In his 24 years as a collegiate assistant coach, Evans has worked for some of the biggest names in the basketball coaching profession.

For the past two seasons, Evans served as an assistant to Eddie Sutton at Oklahoma State. During his stint in Stillwater, the Cowboys captured the Big Eight Championship in 1990-1991 with a 24-8 overall mark and were league runners-up in 1991-92 with a 28-8 mark.

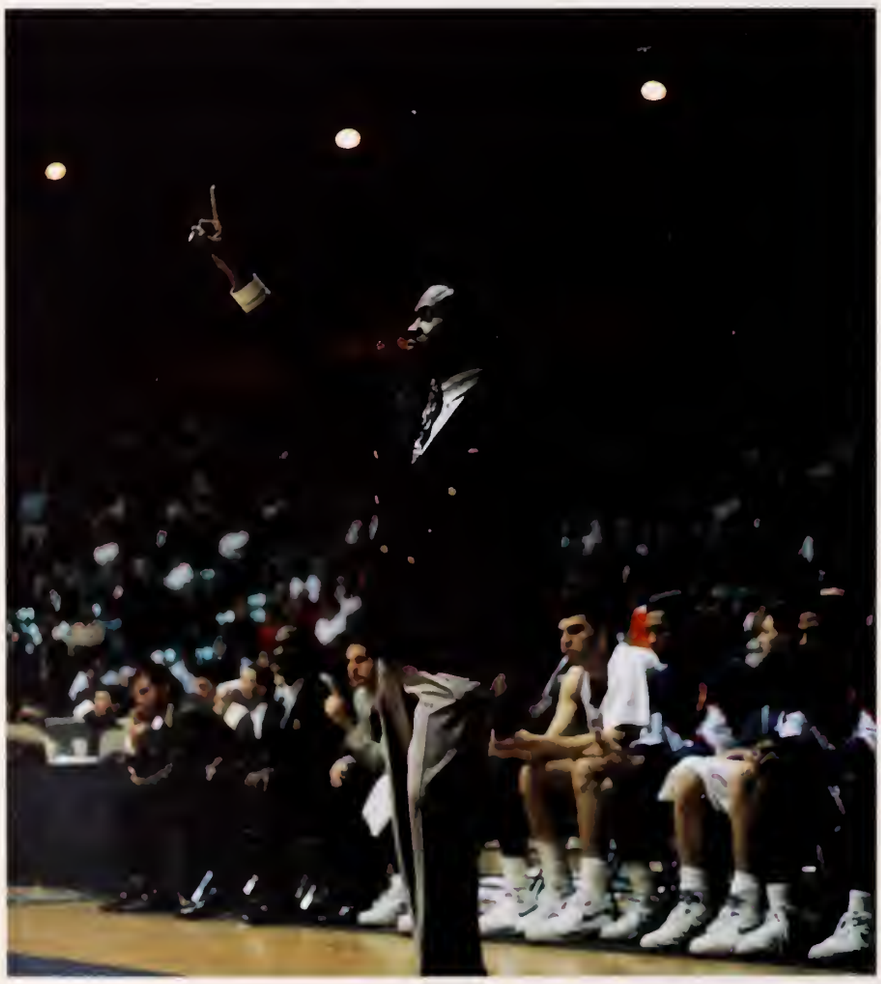

"Rob brings a lot to the table," said Sutton. "He is a tireless worker, an outstanding recruiter and a very good coach. He has a great relationship with the players and he is a quality human being."

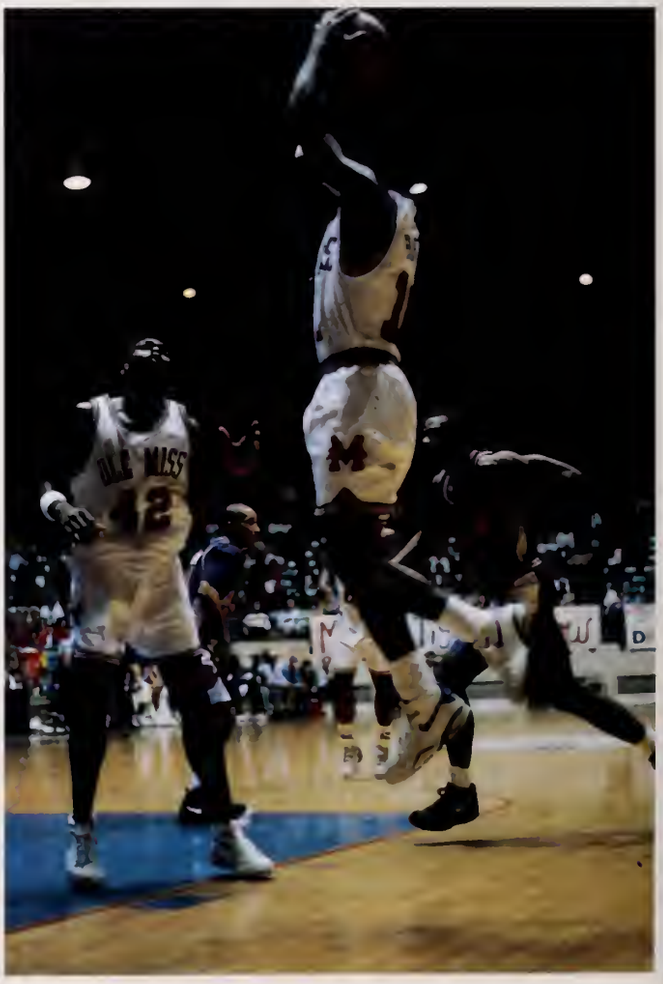

Evans, 45, made no predictions for the Rebels on the upcoming season. He did, however, promise to work extremely hard, beginning with his first day on the job.

"My committment to the administration here is to work hard and give you the best basketball program and the best student-athletes that you so richly deserve," he said. "We are going to hit the ground running. We are only interested in recruiting quality people that have a committment, not only to bettering themselves basketball-wise, but athletes that are committed to obtaining a quality degree from Ole Miss and becoming productive in this society."

The Hobbs, N.M., native excelled at both basketball and baseball at Hobbs High School. His athletic ability was rewarded as he was drafted out of high school by the Houston Colts, now Houston Astros, in the Major League draft. The Dallas Chaparrals of the old American Basketball Association, drafted Evans, and the Oakland Raiders of National Football League also made Evans one of their draft picks.

Rebel Baseball

Although the 1992 Ole Miss baseball team did not make it to the Southeastern Conference Tournament, the Rebels were in the hunt until the final weekend of the season.

With a junior and senior laden team, the outlook was high as eight starters returned off a 31-24 squad the year before. For the first time in conference history, the league Tournament was to be held indoors at the Louisiana Superdome. In the newly-expanded SEC, the conference was split into two, six-team divisions with the top four teams making it to the postseason affair.

Things looked promising as the Rebel baseballers sprinted out to a 16-6 mark that included wins over 1992 NCAA Regional participant Minnesota and College World Series entrant Oklahoma. The Rebels reeled off a six-game winning streak during that span, the longest since the 1989 season, and won four of five on their Spring Break trip to the Houston, Texas area. The Rebels also got off to a fairly good SEC start, winning two of their first five contests in league play.

"I felt really good about this ballclub early on," head coach Don Kessinger said. "I thought we had a chance to be a fine team, and I know that we showed dramatic improvement over the previous season. Especially playing a tough schedule like we did."

After finishing March with a 17-10 overall mark, Ole Miss struggled over the next three weeks winning just seven of 16 contests, although they were still playing well in the SEC, going 4-5 over that time.

The Rebels then took two of three from Auburn in Oxford during the last weekend in April and went on a four game winning streak heading into their final two conference series.

To make it to New Orleans, the Rebels needed to win two of their final six league games. That would be no easy chore as they had to travel to Mississippi State and Arkansas over the final two weekends.

The Rebels were unable to defeat Mississippi State in any of the three games. The Rebels then defeated Arkansas in the first game of the three game series the following weekend and dropped the last two to the Razorbacks.

"Injury played a big part to our unraveling," Kessinger added. "But, I don't like saying that because it sounds like an excuse."

The 1992 squad listed nine seniors, who never made it to the SEC Tournament, and were one game away from making it in their final year.

"I can tell you this, they laid a foundation we can build on in Ole Miss baseball and they worked hard."

1992 Rebel Track

Fresh Legs Equal Fleet Feet

For the 1992 Ole Miss track team, the year was one of rebuilding that saw the bricks go up faster than expected.

"We knew we were in a rebuilding year, we knew we had lost a lot of top guns, we knew we were young, but we felt like we got a whole lot accomplished toward our goal of being one of the more competitive teams in the league," Walker said.

With only three seniors on last season's team, the young Rebs finished tied for 50th in the NCAA Outdoor Championships and set seven indoor school records.

Alvin Haynes led last year's team in scoring while garnering All-American honors and winning his second Southeastern Conference Championship in the triple jump. Haynes, who Walker described as someone who could always stand up and be counted, participated in both the indoor and outdoor NCAA Championships, finishing fourth in the outdoor competition. He went on to represent his home of Barbados in the Summer Olympic Games in Barcelona, Spain.

Senior team captain Steve Rowland also contributed heavily to the Rebels. As a three time Academic All-SEC selection, the pharmacy major was the grand example of the student athlete. His athletic ability in multi-event competition took him to new heights in '92. Rowland placed sixth in the SEC Indoor Pentathlon Championships and was the second highest Rebel finisher at the SEC Outdoor Championships with his fourth place finish in the decathlon. Breaking several of the schools decathlon individual event records and coming close to the overall decathlon record held by 1988 Olympian Gary Kinder, Rowland also garnered national attention with his selection to take part in an Olympic development camp at the U.S. Olympic Training Center in Colorado Springs, Colorado.

Another bright spot for the Rebels was distance runner Pablo Sierra. Sierra, who ran only indoor during the 1991 season, claimed the SEC 5K title, an event that was supposed to be dominated by new conference member and defender of 9 straight NCAA indoor championships.

1992 Lady Rebel Track

Lady Rebels have Best Year in its History

In 1992, the Lady Rebel track program turned in their best Southeastern Conference record in the program's seven year history.

The women set seven school records during the indoor season and nine more in the outdoor competition. They scored in 10 events at the SEC Championships and had four provisional qualifiers.

The Lady Rebs' captain and emotional leader, Betty Collins, finished her collegiate running career in grand style. After returning from a serious knee injury for her senior outdoor campaign, Collins steadily improved and by the outdoor season had shattered the school record in the 100 hurdles and become an NCAA provisional qualifier.

Other leadership was provided by juniors Tiwanda Vance and Stacy Hudson. Vance finished fifth in the SEC 800 during the outdoor season and Hudson became the first Lady Rebel to qualify for the NCAA Outdoors in an individual event by meeting the provisional standard of the 400 hurdles.

Both Hudson and Vance participated on the highly successful 1600 relay team, which scored in both the indoor and outdoor conference championships, was a provisional NCAA qualifier and set a school record time of 3:36.22. Running with them on the mile relay were Earnestine Slocum and freshman sensation Angela Clay.

Clay set a school record in the 400 as she posted the fastest freshmen time of any NCAA Division I performer at the end of the season and scored in the conference. She added more points to the Rebel cause at the SEC Championsnhips by scoring in a third event, the 400 relay, where she once again teamed with Hudson and Slocum along with sophomore Kim Ingram.

Freshmen Natasha Poularikas was another multiple scorer and record breaker. She scored fifth in the indoor pentathlon and posted points in both the high jump and heptathlon in outdoor competition, setting school records in both outdoor events and creating the women's multi-event records.

"Our women had the finest team Ole Miss has ever had," Walker said. "We've had a true record-setting season."

Ole Miss Rugby

Celebrating its 20th Anniversary

It doesn't matter if it rains, sleets, or snows, the Ole Miss Rugby club will be practicing. Though not well known, the Ole Miss Rugby team celebrates its 20th Anniversary this semester.

The sport is played year around in 2 seasons, fall and spring. It's best described as a full contact sporting event that is a cross between soccer and football with a game consisting of two non-stop 40 minute halves. Pads aren't allowed, only mouthpieces.
Even though the team is in rebuilding stages it shows great potential.

Ole Miss Cheerleaders

Cheerleaders place sixth in the country

The Ole Miss cheerleaders placed sixth in the country in this year's College National Cheerleading Championship that is sponsored by the United Cheerleading Association. These athletes work very hard all year around to help lead the Rebels to victory.

The cheerleaders spend three hours a day, three days a week preparing routines and stunts to help get the Rebel fans fired up. It takes a lot of athletic ability to do what these athletes do. Gymnastics is a key to becoming a good cheerleader.

They are also known as stunt people. They place their lives in the hands of their friends to catch them if they happen to fall off one of the human pyramids. They also have what they call the basket toss. This basket toss is very dangerous because one of the female cheerleaders is thrown nearly 25 feet into the air. They all trust each other to be there and protect each other from injury.

The cheerleading team is made up of three squads: the varsity, the junior varsity, and Johnny Reb. Each squad has its own job to do.

The Junior Varsity cheers at the Lady Rebel basketball games as well as football games. The Varsity cheers at the Rebel basketball games and the football games.

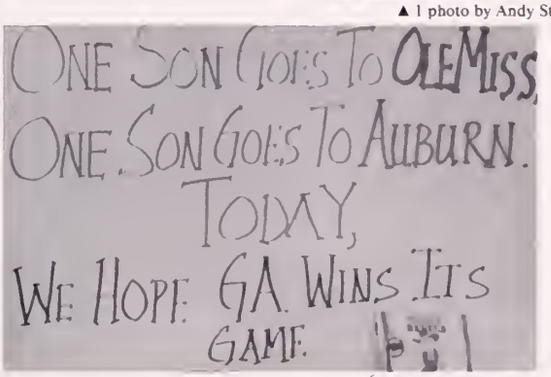

Then there's Johnny Reb. He can be found just about anywhere. Johnny Reb appeals to all people whether young or old. He always brightens the day of a young person with just his presence. The older people enjoy him because he makes them laugh by the crazy things he does.

All the squads perform at pep rally's, parades, and at alumni functions. They are better known as a support team for all the athletic teams. They are always around.

Several of the cheerleaders went to Las Vegas and performed in the Muscular Dystrophy Association Telethon. These cheerleaders work very hard, and they really care about the people around them. Help them lead the Rebels to VICTORY.

Phi Kappa Phi

The University of Mississippi's Highest Honorary

The National Honor Society of Phi Kappa Phi, founded in 1897, was originated by a group of students who felt the need to recognize shcolarship in all disciplines. The society was soon transformed into a national organization by action of a committee composed of the presidents of the University of Maine, the University of Tennessee, and Pennsylvania State College. The University of Mississippi chapter was chartered in May 1959, as the 77th chapter of Phi Kappa Phi. Today there are approximately 250 chapters in 50 states, Puerto Rico and the Phillipines.

To qualify for membership, undergraduates must be seniors or second-semester juniors with high standards of scholarship and character. Graduate students and students of professional schools must have distinguished records placing them among the ablest in their classes. Faculty members must have made significant contributions to their disciplines.

OΔK

Omicron Delta Kappa, founded December 3, 1914 at Washington and Lee University, places emphasis upon the whole person, both as a present member of his college community and as a prospective contributor to a better society. The Society believes that while good scholarship and intellectual development are the chief objectives of college years, the life of the mind is not the only life students will have to cope with as a result of their college experience. It is not enough to be merely a "scholar" — other indispensable qualities have to be cultivated also. Students and faculty members have to more clearly understand that the self is truly a composite of the hand, the heart, and the spirit as well as the mind. Omicron Delta Kappa believes that the real search for truth, the promotion of good will, the development of consideration and understanding, good taste, and a sense of humor, learning how to get along and cooperate with others, and the assumptions of duty and responsibility, are important lessons and personal qualities which one learns and develops through an integrated program of academic and extracurricular education.

Members of Omicron Delta Kappa are selected in areas of achievement in scholarship, atheletics, campus or community service, social and religious activities and campus government, journalism, speech, and the mass media, and the creative and performing arts.

Gamma Beta Phi

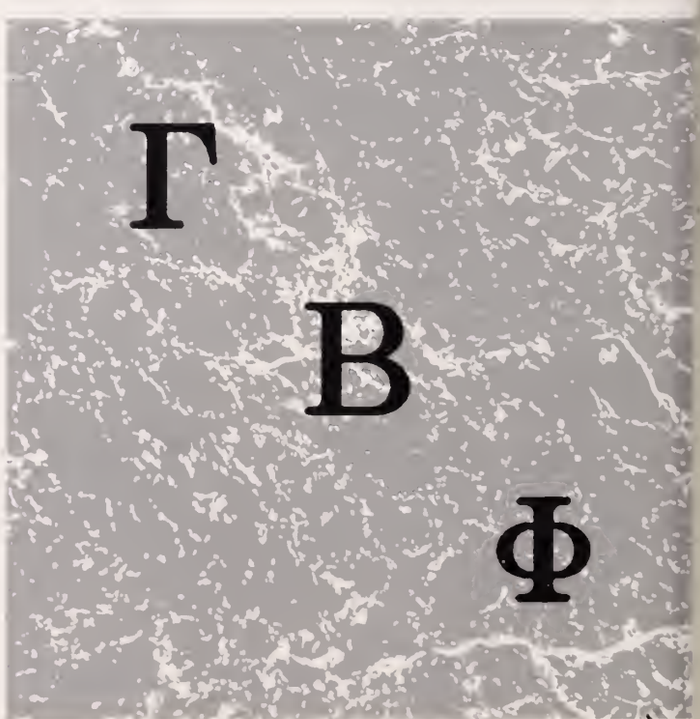

photo by Tucker Person

Currently, in its 27th year on the Ole Miss campus, the Gamma Beta Phi Society is a national honorary recognizing excellence in scholarship and stressing the importance of service and of the development of character. The 12th chapter to receive a charter in the United States, the Ole Miss chapter of Gamma Beta Phi actively supports local charities and works with local schools through tutoring and donations. . .in an effort to foster and desseminate education. In 1992-1993, the chapter also boosted two state officers, the state President and the state Secretary. The Ole Miss chapter also consistently receives the National Distinguished Chapter Award, one of the highest awards which can be bestowed upon a Gamma Beta Phi Chapter.

Mortar Board

Photo by Natalie Pharr

Established originally as a national women's honor society, Mortar Board is one of the highest senior honor groups for both men and women. Tassels, the local chapter, has been active on the Ole Miss campus since its founding in 1930. With a 40 member limit, Mortar Board selects members based on leadership, scholarship of at least a 3.0 GPA, and service. Mortar Board is an organization that challenges the individual to provide thoughtful leadership to the campus and community, to create an environment of effective communication and to move toward the improvement of the status of men and women.

Beta Gamma Sigma

Beta Gamma Sigma is a national scholastic honor society in the fields of business administration and accountancy. Beta Gamma Sigma chapters may be chartered only in those schools of business and accountancy accredited by the American Assembly of Collegiate Schools of Business.

To be eligable for Beta Gamma Sigma membership, students must rank in the top five percent of the junior class, the top ten percent of the Senior class, or in the top twenty percent of those students receiving masters degrees. Students who have completed all requirements for the doctoral degree conferred by a school of business or accountancy are also eligible for membership in Beta Gamma Sigma.

The purposes of Beta Gamma Sigma are to encourage and recognize scholarship and accomplishment amoung students of business administration, to promote the advancement of education in the art and science of business, and to foster integrity in all aspects of life.

Eta Kappa Nu

The Eta Kappa Nu Association is the International Honor Society for Electrical Engineers. Chapters of Eta Kappa Nu have been established at about 200 electrical engineering schools. Outstanding men and women are elected to membership in Eta Kappa Nu primarily from the junior and senior classes of undergraduate electrical engineering programs. Graduate students and electrical engineers engaged in professional practice who have distinguished themselves through their scholarship or professional achievements may also be elected to Eta Kappa Nu. A primary objective of the association is to stimulate and recognize outstanding scholarship and achievement. Eta Kappa Nu also seeks to encourage leadership and responsibility to society, as well as to promote professional development.

Chancellor's Leadership Class

In 1985 Chancellor Tuner announced the formation of the Chancellor's Leadership Class. As a result, the University launched a search for about sixty prospective freshman men and women to join the proud ranks of the CLC. These students are chosen for their accomplishments in high school and are encouraged to further develop their leadership abilities.

As preparation for their leadership roles, the members of the CLC attend leadership functions and seminars throughout the year. Leading the discussions of these events are members of the administration, internationally known professors, students holding top offices in campus groups, and government and business leaders. Class members are encouraged not only to take part in the various organizations on campus, but to continue to participate in civic and state affairs after graduation.

Alpha Delta Pi, the nation's oldest sorority, was founded in 1851 at Wesleyan College in Macon, Georgia. Delta Sigma Chapter was established at the University of Mississippi in 1960. Since coming to Ole Miss, our members have prided themselves on qualities such as respecting each woman as an individual and accepting the diversity of all our members while still standing proudly as our unified chapter. Alpha Delta Pi represents many things. We are brand new friends and lifelong sisters.

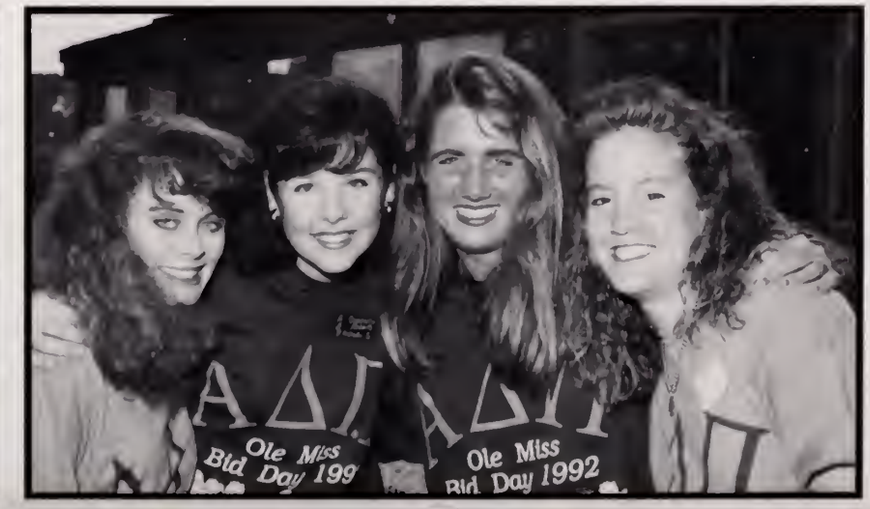

Alpha Delta Pi is very active in campus life. We have Ambassadors, ASB committee members, Mariners, a member of Lady Rebels Basketball team, concert singers and we are in numerous academic honoraries. Annually Alpha Delta Pi also sponsors numerous fundraisers to benefit our philanthropies such as the Ronald McDonald House and Graceland Cnovelescent Center. In additon to these activities, ADPi's enjoy mixers, crush party, Arrange-A-Date, Black Diamond Formal, Initiation Formal, and a Spring Casual. We are all of these things, but most of all, we are Alpha Delta Pi, the first and finest.

The Theta Psi Chapter of Alpha Kappa Alpha welcomes you to the University of Mississippi. Alpha Kappa Alpha, the first black sorority was founded in 1908 at Howard University and the Theta Psi chapter was established on the Ole Miss campus in 1974. Since our inception the ladies of Alpha Kappa Alpha have been dedicated to fulfilling our purpose of "Service To All Mankind".

AKA's participate in many community and campus activities. We sponsored Black Dollar Day in support of local black businesses and a Water Day to raise money for the Domestic Violence Shelter. We also donate money and canned goods to needy families in the Oxford community. We have sponsored "Save the Black Male" forums and a "Who is the Black Woman?" discussion. Theta Psi has an adopted friend at the Retardation Center and we helped with the Very Special Arts Program.

The Theta Psi Chapter has had a legacy of "firsts" at Ole Miss- the first black female in the Hall of Fame, the first black Miss Ole Miss, the first black sorority to win Sigma Chi Derby Day, the first black sorority to win Afro-Olympics and the first and only black sorority to have a house on sorority row. Alpha Kappa Alpha is dedicated to sisterhood, community involvement, and academic excellence. From day one, our members form sisterly bonds and memories tht last a lifetime.

Nu Beta Chapter of Alpha Omicron Pi has been a part of the Ole Miss Greek system since 1958. AOPi offers the opportunity to make friendships that will last not only throughout our college years, but for a lifetime.

AOPi's enjoy campus life and show their enthusiasm by participating in a wide variety of activities. You can always find a smiling AOPi in organizations such as Golden Key, Omicron Delta Kappa, Roundball Recruiters, ASB Committees, Order of Omega, Rebel Recruiters and Ambassadors. Fraternity Sweethearts and Panhellenic officers can all be found in AOPi. AOPi's share good times while participating in campus activities or just hanging out together.

Chi Omega was established at Ole Miss in 1899, and since then Tau Chapter has strived to become an active force in the Greek community. Chi O's are involved in all aspects of campus life, from ASB Senate and Committees to religious organizations, such as RUF and BSU. Chi O is consistently near the top in academics and we are proud to claim the presidents of both Mortar Board and Omicron Delta Kappa. Our chapter is also well represented by Erin Furr a campus favorite, two fraternity sweethearts, three Pike Calendar Girls, and four members of the Modeling Board. Members may also be found helping out in the community, as service to others is a vital part of Chi O. Tau Chapter is a diverse group of girls who have something to offer everyone.

DELTA DELTA DELTA

▲ 1

The Chi Chapter of Delta Delta Delta was established in 1904 on the University of Mississippi campus. Over the years the original two-story house has grown into a full sized residency for more than 70 members. Chapter membership includes 182 girls. We all come together to celebrate such events as Big Sis/Lil Sis, the annual arts carnival which benefits the North Mississippi Retardation Center, and a major Christmas celebration known as "Pine Party". For one of our major philanthropies, we raise money with "Pancakes for Kids" for the Children's Cancer Society.

Outside the events associated with our chapter, our girls can be seen all over campus in a variety of leadership and honorary positions. During 1992, Tri Delta's held the various campus positions of UM cheerleaders, tennis team members, Intramural champions, Director of Oxford University Liasons, ASB Senators, Ambassadors, President of the Senior Class and President of the Business School. Chi Chapter also held the highest GPA on campus. Honors Bestowed upon Tri Delta members include three fraternity sweethearts, a Pike calendar girl and Jennifer Long was crowned 1992 Homecoming Queen.

The Alpha Psi chapter of Delta Gamma is very special because it is the Mother Chapter. Delta Gamma was founded in 1873 by three girls from Kosiusko, Mississippi, who attended Lewis School for Girls in Oxford. Since that time Delta Gamma has flourished into one of the most outstanding and most respected Greek organizations on campus. Dee Gee's have fun throughout the year, especially at Anchor Splash, which raises money for our philanthropy, Sight Conservation and Aid to the Blind. Delta Gamma's are involved in a wide variety of campus honors and activities such as Matchmates, Diamond Girls, Rebellettes, Modeling Board, Lambda Sigma, ODK and Mortar Board. We are also excited to have the ASB Secretary for two consecutive years, several ASB Senators, an Ole Miss favorite and three PIKE calendar girls. Delta Gamma is full of diversity and friendship for everyone.

KAPPA ALPHA THETA

▲ 1

Kappa Alpha Theta was founded in 1870 at Depaw College in Indiana as the very first women's fraternity. At Ole Miss, Epsilon Zeta chapter has grown with the university to become active in all aspects of campus life. Members excell in academic honoraries, Ambassadors, Modeling Board, fraternity little sisters and Diamond Girls. Theta's currently hold positions as committee members, senators, and Vice President in the Associated Student Body Government. Theta's support our philanthropy CASA, hold winter and spring formals, Halloween Costume party, Arrange-A-Date, Dad's Day and fraternity mixers. Theta's are a diverse group of girls from all over the country who share a special bond of sisterhood that does not end in four years, but lasts a lifetime.

You don't have to walk very far on the Ole Miss campus to find a Kappa Delta girl. As one of the largest sororities at the University, Kappa Delta is fortunate to have members of many different localities with each pocessing an individual charm and style. Our diversity makes us unique, but also helps create a well rounded and loving sisterhood to last even beyond the years of college. In the past 60 years since the Alpha Mu chapter of Kappa Delta was founded here at Ole Miss, we have sponsored a myriad of local as well as national philanthropies such as our annual golf tournament for the National Committee for the Prevention of Child Abuse. And when all our hard work is done, Kappa Delta makes the most of every moment by throwing unforgettable parties such as a number of crush parties and fraternity mixers, a winter formal in Memphis, as well as a spring Crawfish Weekend. From campus beaties, cheerleaders, PIKE Calendar girls, ASB and campus leaders, and Scholastic excellence, Kappa Delta undoubtedly has it all.

The Delta Rho Chapter of Kappa Kappa Gamma has been a part of the Ole Miss campus since 1947. Through the years, from pledging to senior year, there have been many changes, yet continuity survives. The Kappa's are active on campus having ASB Senators, ambassadors, two fraternity sweethearts, a Varsity cheerleader, two Rebellettes, a track team member, bat girls and a class favorite. Each year we have formals, mixers, crush parties and Arrange-A-Date. A big goal for Delta Rho this year has been to sponsor some very successful philanthropic activities. We achieved this goal in the apring with two big events. One was a mountain bike race with Sigma Phi Epsilon, Kappa Sigma and Delta Gamma to raise money for a little boy who desperately needed day care. Another successful event was the yearly Easter Egg Hunt with the Kappa Alpha Theta's for the children of the North Mississippi Retardation Center. Each year the Kappa's set goals for excellence and achievements for personal growth and campus involvement.

ΠΒΦ PI BETA PHI

▲ 1

Pi Beta Phi was founded at Monmouth College on April 28, 1867, for the scolastic advancement of college women. The Mississippi Beta chapter was chartered at Ole Miss in 1962. Pi Phi's claim the angel and arrow as their symbols in the colors of wine and silver blue. Members of Mississippi Beta take pride in their arrow shaped house, modeled after Arrowmont. Arrowmont is one of the two national philanthropies that Pi Phi's work all year long for. Fundraiser include "King of Hearts", "Stick'em up for Arrowmont" and the national t-shirt contest. This year Pi Phi was proud to have members involved in various campus activities. Involvement ranges from Junior varsity cheerleader, campus favorite, concert singers, track/cross country runners, fraternity sweetheart, Senior Class Vice President, UMTV reporters, ASB Deputy Attorney General, SPB committees and many more. In addition to having girls in the Parade of Beauties and on PIKE calendar, our members were named to some of the top honoraries including Lambda Sigma, ODK, Order of Omega, Phi Kappa Phi, and Who's Who. We are proud to have a Taylor Medalist in accounting. Pi Phi's are always excited about helping out other greeks with their philanthropies: participation in Phi Mu Pledge Olympics and winning Sigma Chi Derby Day. Favorites of all Pi Phi's are Spring Casual, Winter Formal, Arrange-A-Date, and Crush party. Pi Phi's can always be seen on the athletic field for intramural football, softball, All-Stars and are always ready to defend their title as Greek Week Champions(four years and running). The friendships and sisterhood will always be bound by the colors of "wine and silver blue".

Phi Mu, the second oldest women's sorority in the nation, was founded in 1852 at Wesleyan College in Macon, Georgia. Since then Phi Mu has become one of the strongest fraternal organizations for women in America. Alpha Delta chapter is active in various campus activities such as Ole Miss Ambassadors, Rebellettes, Senate, cheerleading,track, as well as serving as PIKE calendar girls, ASB cabinet and Panhellenic President. Also Phi Mu's enjoy fun events like Boat Bash, Winter Formal and Pledge Olympics. Phi Mu's are always working for the Children's Miracle Network Telethon, which is our national philanthropy. Friendship and sisterhood are at its best because Phi Mu is not just for a day,not just for a year, but for a lifetime.

ZETA PHI BETA

▲ 1

Zeta Phi Beta Sorority's Tau Eta chapter of the University of Mississippi has made significant progress in the past couple of years. Presently, the chapter has ten active members. Though small in number, Tau Eta is by no means, "small" in social services and deeds.

Tau Eta chapter has worked diligently to award scholarships to deserving young students chosen as scholars of the year as well as host the annual Little Miss Blue Revue Pageant. Tau Eta also offers free tutorial services to area schools in Oxford, Ms, and provides gifts to needy families during the holiday seasons. Past projects include Project Illiteracy Education at C.B. Webb housing project, and fundraisers for the Sickle Cell Anemia Foundation.

Zeta's national and local programs include endowment of its National Education Foundation, the Stork's Nest, community outreach service, and support of multiple affiliate organizations. Zeta chapters and auxiliary groups have given untotaled hours of voluntary service to educate the public, assist youth, support organized charities, and promote legislation for social and civic change.

Tau Eta chapter has members who have been involved in campus organizationa which include Black Student Union, The University of Mississippi Afro-American Novel Project, Rebel Recruiter, Rebel Track Club, Ole Mis Rebels' Basketball Team, Chancellor's Honor Roll, Dean's Honor Roll, Phi Eta Sigma, Alpha Lambda Delta, Psi Chi, and the Chancellor's Leadership Class.

Zeta Tau Alpha was founded on October 15, 1898 in Farmville, Virginia. In 93 years, Zeta has grown to be the third largest National Panhellenic Conference group with over 215 chapters all over the US and Canada. Gamma Delta chapter takes pride in being leaders on the Ole Miss campus. Zeta's are Rebelettes, cheerleaders, Modeling Board members, Ole Miss Ambassadors, fraternity sweethearts, ASB senators and top ten Beauties.
Zeta's enjoy a busy social calendar with Grab-A-Date, Mystery Date, mixers, Crown Formal, Christmas Party, Crush Party and Spring Formal. ZTA also has an annual fundraiser to benefit the Susan G. Komen Breast Cancer Foundation as well as many service projects throughout the year. Zeta's share a special sisterhood that is strenghtened by our founding precept, "love . . . the greatest of all things."

Mississippi's premier undergraduate chapter of Alpha Phi Alpha since 1988, Nu Upsilon was chartered on March 20, 1978. Nu Upsilon has claimed this title ten of our fourteen years at Ole Miss. Our outstanding legacy of achievement is maintained through the diligent efforts of our membership. Brothers of Nu Upsilon also boast of personal achievement. Carl Powell, Kerry L. Pearson, Lee Eric Smith and Elvin A. Knight are all history makers at Ole Miss. In addition to brothers personal progress, chapter service activities contribute to our legacy. Our programs include the Oxford Alternative School, Project Alpha, Men of Tomorrow, Celebration of Dr. King's birthday, guest speakers and our Career Development Seminar. Social activities include our Miss Black and Gold Pageant, Alpha Week Activities and dances throughout the year.

ALPHA TAU OMEGA

▲ 1

Alpha Tau Omega was founded at Virginia Military Institute in 1865. The Delta Psi chapter of ATO, founded at Ole Miss in 1927, has lived up to the standards of brotherhood and merit that helped found the original chapter. The men of Alpha Tau Omega are involved in all aspects of campus life from competing in intramural sports to campus leadership and community involvement. Involvement is very important to Ole Miss ATO's. Our recent philanthropies have included our annual blood drive, ATO/ΦBΣ Chuckie Mullins Courage Award Banquet and our annual Christmas party with the children of the North Mississippi Retardation Center. For the past two years the Ole Miss chapter of ATO has been awarded the True Merit Cup, which establishes ATO at Ole Miss as one of the top ten ALpha Tau Omega chapters in the nation.

BETA THETA PI

This past fall the Beta Beta Chapter of Beta Theta Pi was officially re-established on the Ole Miss campus. A committee of alumni and General Fraternity Representatives interviewed interested candidates and selected twenty motivated students as pledges of the ressurected chapter. The pledges have been very enthusiastic in establishing lofty goals for the academic year, including various philanthropy pursuits, academic achievements, intramurals and social engagements. The chapter is determined to continue its success and to grow.

The pledge class will be initiated in the spring and will become responsible for the day workings of the fraternity. The chapter house will become available for reoccupation in the summer and its complete restoration is anxiously anticipated. The men of Beta Theta Pi look forward to continuing the fraternal bonds during the fall with all of the fraternities and sororities on campus.

Founded in 1841, Chi Psi fraternity was chartered at Ole Miss in 1858. Alpha Gamma is a leader in all aspects of campus life. We have members in the Honors Program, ASB Senate, Chancellor's Leadership Class, Executive Task Force, and other organizations and honoraries on campus. We also have the ASB Attorney General, College Republicans Chair and Vice Chairman of the Elections Commission. Nationally we are a pioneer in the fraternity world. Among our many first include: The first fraternity house, first fraternity to extend from coast to coast, and one of the first fraternities to stress social interests in addition to academic endeavors. Chi Psi is involved in many social, athletic, and academic events. This year we have planned mixers, cookouts, canoe trips, parties and a Riverboat Formal in Memphis. We at Chi Psi strive for one thing, excellence in all things. This is Chi Psi at Ole Miss.

The Phi Chapter of St. Anthony Hall is the only deep south chapter of one of the oldest of the Old Line Ivy League fraternities in the United States. Other chapters range from Eastern Universities such as Yale, Columbia, and MIT and extend down the Eastern seaboard to the University of Virginia and the University of North Carolina. Delta Psi is a traditionally small fraternity both nationally and locally because the qualities of brotherhood on which the fraternity was founded can be best maintained in the practice of limited membership.

Kappa Alpha order was founded at Washington and Lee College on December 21, 1865. Later in January 1900, Alpha Upsilon Chapter was established at the University of Mississippi. The men of Kappa Alpha are involved in every aspect of life at Ole Miss, claiming memberships in honoraries and organizations such as Lambda Sigma, Phi Eta Sigma, Alpha Epsilon, ODK, and Order of Omega. KA athletics, both varsity and intramural, as well as its much talked about social program including Rose Ball, Hell Raising Hayseed, Christmas Party, and Old South show still another facet of the versatility and excellence portrayed by this fine chapter. These accomplishments have enabled Alpha Upsilon to capture two Samuel Zenas Ammen Awards for Chapter Excellence in the past two years. Academically, socially, politically and athletically it is easy to see that the men of Kappa Alpha Order at Ole Miss aim for the ultimate and achieve it.

On December 10, 1869, five friends and brothers met by firelight on a cold, windswept night in Charlottesville, Virginia on the University campus to establish a bond of brotherhood that was dedicated to the goals of learning and an institution shaped by the thinking of great men. This institution of fraternal brotherhood became Kappa Sigma. Nationally, Kappa Sigma has a tradition of producing great men. Brothers have become Presidential cabinet members, United States Senators and Heisman trophy winners. The Delta Xi chapter of Kappa Sigma has been consistently recognized as one of the top ten chapters in the nation. We are involved in virtually every aspect of Ole Miss. Athletically, Kappa Sig's are represented on several university sports team. We have several members involved in academic honoraries such as Golden Key, Order of Omega, Phi Kappi Phi and Chancellors Leadership Class. As members of several ASB committees and ASB Senators, Kappa Sigma is well represented in student government. Socially, Kappa Sig's stand out with our annual nationally ranked South Sea Island party, in which we turn our yard into a tropical paradise. Other parties include our annual Hallowen fundraiser, Christmas Party, Winter Formal and Groudbreaking Party. The Delta Xi chapter of Kappa Sigma believes that the ideals of brotherhood which are shaped here be observed not for the day, and hour or a college term only, but for life.

PHI BETA SIGMA

The permanent organization of Phi Beta Sigma was effected on January 9, 1914 at Howard University in Washington, D.C. by A Langston Taylor, Leonard F. Morse and Charles I. Brown. Phi Beta Sigma has continued to grow into brotherhood of over 90,000 college and professional men existing in 600 chapters throughout the continental U.S., Africa, Europe, Switzerland, the Carribean and Japan.

Eta Beta Chapter was founded at the University of Mississippi on February 26, 1975 by Alpha Beta Chapter of Jackson State University. Since the chapter's founding, Eta Beta is recognized as a leader and model chapter among the Universities' NPHC greek-letter fraternities. Our leadership can be seen in our academics, community service projects, social interaction and the promotion of brotherhood among our members.

Eta Beta's aspirations and lofty ideals have enabled the chapter to become the first black greek-letter organization on Ole Miss' fraternity row and a leader in academics among the NPHC groups on campus. Community service is considered to be one of our many strong points. The chapter has had continued support from the Oxford Community because of the community service rendered by the chapter. The chapter has adopted several Day Care Centers in the Oxford community, tutored children at Oxford Elementary, worked in conjunction with Alpha Tau Omega Fraternity to sponsor the annual Chuckie Mullins Award Banquet, as well as support Ole Miss, the Greek system, and Independent student programs on campus.

For now, years after the venturous three founders first unfurled the banner of SIGMA, leaders in every walk of life from the Canadian border to the Gulf and from New England to the Golden Gate have been attracted by our programs of Bigger and Better Business, Social Action and Education. "Culture for Service and Service for Humanity",Sigma's slogan and goal, takes on a deeper significance as the years roll on.

In 1848, six college men at Miami University in Oxford, Ohio founded a brotherhood based on friendship, sound learning and moral rectitude. Phi Delta Theta has since grown into an organization claiming approximately 200 chapters. Mississippi Alpha Chapter has played an integral part of campus life since it was founded at Ole Miss in 1877. Phi Delta Theta is actively involved in many leaderships organizations and academic honoraries. David Simcox serves as President of the Accounting School and Alan Moore was elected as Associate Director of the Student Programming Board. Phi Delts are involved in Phi Kappa Phi, Order of Omega, Golden Key, Mortar Board and Lambda Sigma. Also, many Phi Delts are in the Chancellor's Leadership class and the University Honors Program. In addition, Phi Delta Theta is involved in a variety of fundraising projects, in particular the Magic Lamp Foundation which benefits terminally ill children and Phi Delt's own "Hoops For Kids" basketball tournament which goes to the American Cancer Society.

Phi Gamma Delta was founded in 1848 at Jefferson College. The Delta Colony, here at Ole Miss, has already lived up to the high standards set forth by our original chapter. Phi Gams believe in strength through diversity and has members in several campus organizations, including College Republicans, Phi Eta Sigma, Alpha Lambda Delta and Modeling Board. The Presidents of College Republicans, American Marketing Association and University Christians are all Phi Gams.

Social functions are very important to Phi Gams. Mixers and football keep us busy in the Fall and the Spring semester is time for Formal and FIJI ISLAND, our annual theme party for the Red and Blue weekend.

Phi Kappa Psi Fraternity was founded in 1852 at Jefferson College. The Mississippi Alpha chapter was established at Ole Miss in 1857, making it the second oldest fraternity on campus today. Some prominent alumni produced by Mississippi Alpha include a U.S. Senator, three judges for the Mississippi Supreme Court, two Rhodes Scholars and several C.E.O.'s of major corporations.

The rich tradition of excellence continues in today's chapter with two members of Phi Kappa Phi, an officer of Order of Omega, Vice President of the Student Alumni Council, ASB Senate, Chancellor's Honor Roll and ASB Cabinet positions. Phi Psi's are also involved in ODK, Ambassadors, Chancellor's Leadership Class, Phi Eta Sigma, the yearbook staff and various other organizations.

Phi Kappa Psi also believes in giving back to the community around them by sponsoring philanthropy projects such as the Business Drive for the American Cancer Society, hosting a blood drive and sponsoring the Adopt-A-Highway program. Mississippi Alpha lives by its motto: "United by friendship, sustained by honor, and led by truth, we live and flourish."

Phi Kappa Tau was founded nationally in Oxford, Ohio, on March 17, 1906. Four young men founded a brotherhood based on truth, knowledge and fellowship. Ever since the founding of the Delta Gamma chapter at Ole Miss in 1969, the members have worked to establish and uphold these goals.

Like other fraternities, Phi Tau tries to find ways to help the community through projects. However, some members try to help groups one on one rather than just raising money. This year was successful for Phi Tau and we hope to continue the success into the next year and the years to follow.

Gamma Iota chapter of Pi Kappa Alpha has played a vital role at Ole Miss since its founding on May 27, 1927. Since that founding, Gamma Iota has produced a U.S. Senator, a Lieutinant Governor and a three time Pulitzer Prize Winner.

Pi Kappa Alpha is a diversified group of men who come together to form one of the dominant fraternities on campus. PIKE has excelled in many leadership positions during the last year. Pikes hold such offices as ASB Cabinet, SPB Board of Directors, ASB Senate, ODK, Order of Omega, Golden Key and Alpha Lambda Delta.

PIKE's are also major players in intramural athletics. This year PIKE reclaimed the pledge football championship and was ranked in the overall top five.

From football weekends to the infamous Charles Sumner Weekend, PIKE is recognized as having the best social program on campus. Furthermore, PIKE participates in fundraising efforts through sales of the annual PIKE Calendar which features twelve of the most beautiful Ole Miss co-eds and the PIKE Dream Girl.

The Mississippi Gamma chapter proves year in and year out to be a force in the greek system at Ole Miss. SAE takes pride in contributing to Ole Miss and the Oxford community. The annual SAE and KD Bowl-A-Thon and the Halloween fundraiser donate thousands of dollars to local charities. Also the Thanksgiving food drive, which was held for the second year in a row, contributed over 1000 canned goods to the Oxford pantry.

SAE's also enjoy participating in campus activities. In intramural sports, both active and pledge teams excelled in football, basketball and softball. SAE's are also present in various campus activities.

Community involvement, intramurals, brotherhood and great parties make SAE the best chapter on campus.

Eta chapter of Sigma Chi received its charter in 1857, only twelve years after the founding of Ole Miss, becoming the fourth chapter nationwide. Known as the Standard Bearer of the South, Eta is composed of men of different talents, temperaments and convictions. Sigma Chi's are very involved on the Ole Miss campus and boast memberships in some of the Universities highest honors: ODK, Who's Who, Order of Omega and Phi Kappa Phi. Sigma Chi is also very well represented in student government. Community service is also an important aspect of Sigma Chi.

The social scene is alive at the Sigma Chi house. Each year, Sigma Chi hosts one of the greatest parties on campus — Derby Day. Derby Day involves almost the entire Ole Miss campus and provides not only a good time for all, but also raises money for different philanthropies of Sigma Chi.

The Epsilon Xi chapter of Sigma Nu was founded at Ole Miss in 1927. Since then, our chapter has become one of the strongest and most active chapters in the nation, as well as here on campus. Sigma Nu strives to uphold its principles of love, truth and honor through its participation in student government, intramurals, and numerous honoraries. We place a strong emphasis on creating a balance between academic, athletic, social and spiritual aspects of college life. Since 1990, Sigma Nu has been home to such leadership positions as IFC President, Student Body Vice President, Student Body Treasurer(twice), Senior Class President, Alpha Lambda Delta President, and Presidents of the Business, Engineering, and Accounting Schools.
Sigma Nu has won the overall Fraternity Intramural Trophy eight out of the ten last years(including last years trophy), making it once again the leader. In philanthropy, Sigma Nu has no peer on the Ole Miss campus. In its 1992 Charity Bowl Campaign, Sigma Nu raised an unprecendented $35,000 for Lori Sneed and her family, bringing its three year Charity Bowl total to $80,000. The committment of Sigma Nu to the betterment of campus and community is evident in every aspect of the Epsilon Xi chapter, and has made it second to none in the Ole Miss Greek system.

Sigma Phi Epsilon was founded in Richmond, Virginia in 1901, at what is now the University of Richmond. Shortly there after, in October of 1902, it became a national fraternity, the first step in attaining its status as the largest fraternity in the United States. Sig Eps pride themselves in maintaining an even balance between athletics, academics, campus involvement, and social activities.

The fall semester revolved around such events as Bid Day, football parties, mixers, homecoming and the annual Christmas Party. The spring semester is no less exciting, as initiation of pledges, the annual theme parties, and fundraisers that aid worthy causes, all occupy the Sig Ep calendar. Sigma Phi Epsilon possesses an admirable history of achievement and an ambitious agenda for upcoming years.

ΣN CHARITY BOWL

With a crowd of over 2,112 in the stands, Sigma Nu fraternity captured the third annual Charity Bowl Friday night at Oxford High School with a 26-6 win over Phi Kappa Tau. The game was played to benefit Lori Sneed, an Ole Miss student who was paralyzed in a car accident. The two fraternities raised over $30,000 in pledges. "Attendance was great especially this being Mardi Gras weekend and still have so many care enough to come out," said Phi Kappa Tau publicity director Todd Inman. Phi Tau head coach Jay Hopson said that all the players gave it all they had. "These guys should be commended for putting out the effort for the last couple of months to raise money for (Lori Sneed) and I'm proud of them," said Hopson.

ΣX DERBY DAY

Derby Day, initiated at the University of California in 1930, has developed into one of the traditions of Sigma Chi Chapters across the United States and Canada since its inception.

Eta Chapter at Ole Miss sponsored its first Derby Day in 1963 and since that time it has become one of the most popular events on the campus during the spring semester.

This year, the Ole Miss Sigs will join more than 120 other Sigma Chi Chapters across the United States and Canada in sponsoring Derby Day. The only event of its kind, it brings together campus sororities for a day of friendly competition and relaxation during a hectic semester of studies.

Last year marked Eta's twenty-ninth consecutive Derby Day.

ΦM PLEDGE OLYMPICS

Pledge Olympics has become an annual event for the Phi Mu pledge class. Sorority and fraternity pledge classes are invited to participate in fun games to win a trophy. Some of the games played this year were the bat race, balloon popping relay, bubble gum in flour relay, three-legged race and tug-of-war. The activities were held on Village Field, October 14 at 2 p.m. The pledge classes that came out on top were Chi Omega and Sigma Chi.

All of the fun that day greatly benefitted the LeBonheur Children's Hospital in Memphis. The money raised from entry fees and t-shirt sales was donated to the hospital as Phi Mu's philanthropy. Almost $2000 was raised through the activity. The Phi Mu pledge class of 1992 would like to thank all of those who participated and made the activity possible.

RUSH BID DAY

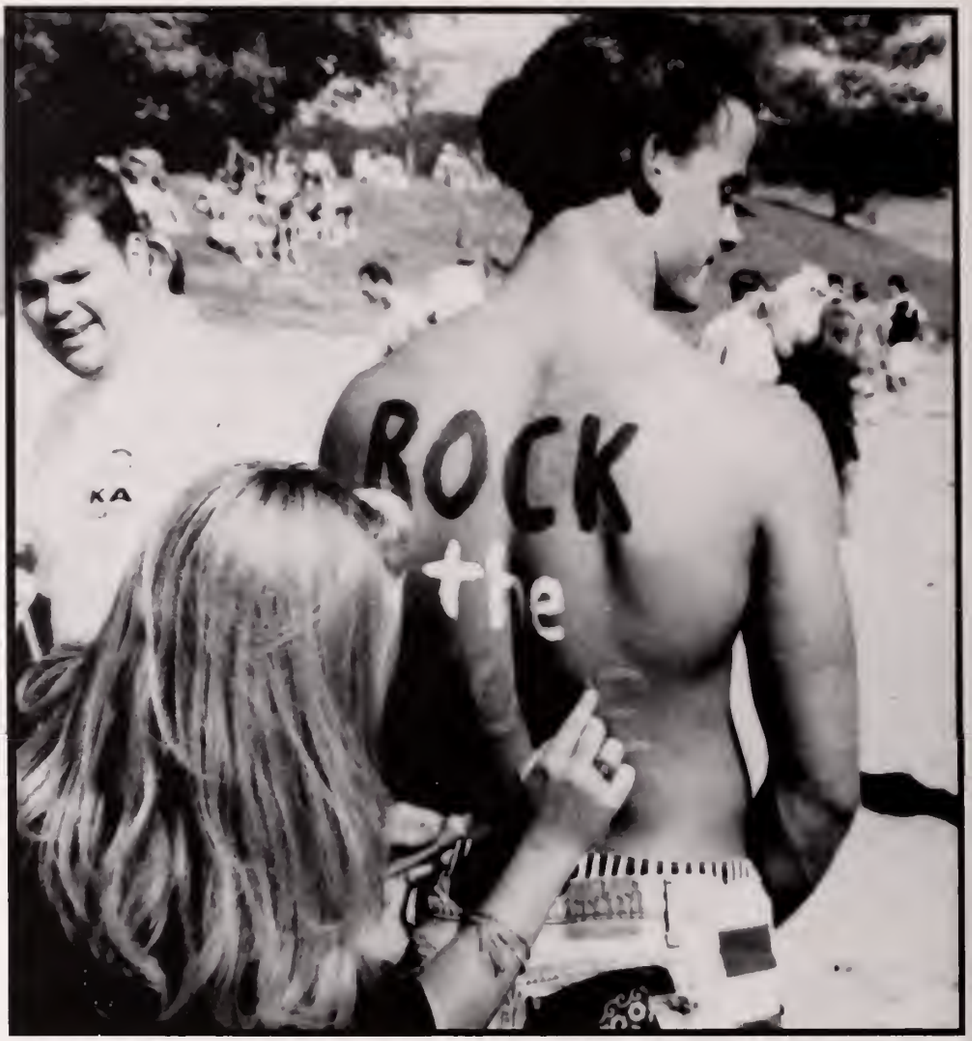

When many freshmen arrive on the Ole Miss campus in the fall, one big decision faces them- Rush. For many students, joining the greek system allows new friendships which last forever. Fraternities and sororities allow a family atmosphere for those students far from home. The greek system also works hard in raising money for different philanthropies and works with the Oxford community in projects such as tutoring young students. The greek system is a great place for a student to begin friendships even though the greek system has nothing to do with actually becoming an integral part of the University.

ANCHOR SPLASH

The Delta Gamma's raised $2750 to benefit their national philanthropy Sight Conservation and Aid to the Blind during the seventh annual Anchor Splash. Some of the fundraising events included a pool tournament at Forrester's, a Pre-Splash Bash at The Gin, t-shirt sales and several fraternity competitions. Also, Lori Sneed, a member of Pi Beta Phi sorority, won the Most Beautiful Eyes contest for the second time.

Members of the Chi Psi fraternity won the volleyball tournament. The Phi Kappa Tau fraternity won the synchronized swimming events with their Grease theme.

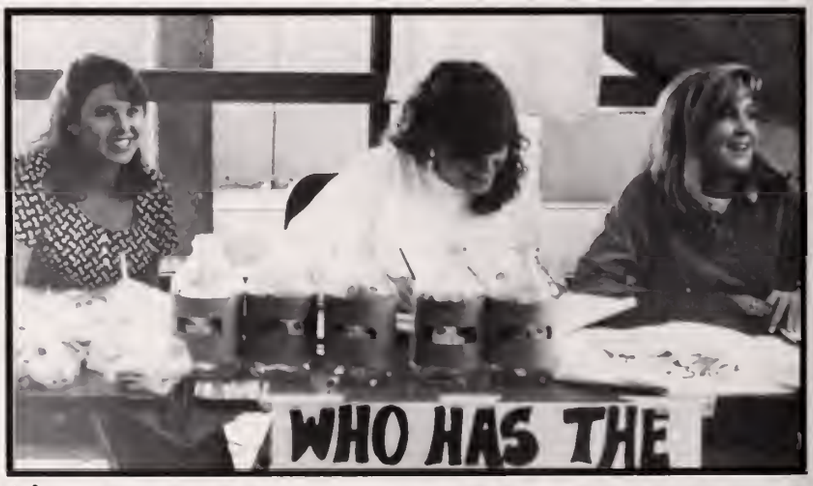

Shed Robertson, representing the Kappa Alpha fraternity, won the title of Mr. Anchor Splash, and Kappa Alpha finished first place in tug-of-war and overall. Delta Psi fraternity placed second overall with Phi Gamma Delta finishing a close third.

Daily Mississippian

The 1992-93 staff of *The Daily Mississippian* continued to build on the 81-year-old tradition of the only daily student-run newspaper in Mississippi.

The Daily Mississippian publishes with a circulation of 10,000 Monday through Friday and is primarily funded through advertising. The newspaper h more than 50 staff members who not only report the news, but learn to edit copy, write headlines, design pages, and develop and print photos. It is the on college newspaper which has full membership in the Mississippi Press Association. Through, MPA, *The Mississippian* competes annually with professior newspapers statewide.

Since 1911 *The Mississippian* has served the students of Ole Miss. In 1962, the paper became the first and only daily student-run newspaper. Printed in t basement of Farley Hall, the paper is usually available to students by 8 a.m. each day in most campus buildings and in many local businesses.

A new year at the DM brought a new look and some new ideas. Here are a few:

• The "Our View" section which provided a daily editorial on current events in the nation, world, and Ole Miss community. An editorial board consists four staff members and any students faculty, or staff that wish to show up and discuss the issues. Each week, topics for editorials were discussed and opposi view points were sought. An editorial entitled "Justice Must Be Balanced" was carried by the Associated Press and printed in the state's largest newspaper *T Clarion-Ledger*.

• For the second time in the paper's history a graphics editor (Wendy Broad, a senior from Clearwater, Fla.) was hired. This position was done to hel improve the visual appeal of the paper and make it easier to read for the students.

• The Preview section under the direction of Preview Editor Joe Gurner and Entertainment Editor Rodney Crouther continued to provide Ole Miss studen with a look at what was happening around Oxford on the weekends.

• Gurner also served as editor for the special homecoming section.

• *The Mississippian*, with the help of Mr. Jack Bass and his reporting class, ran a special 15-page look back of the 30 year anniversary of James Meredi entering the university on October 1, 1962.

• The Friday Focus section was added to provide a weekly feature for students. Chris Tutor and Nik Dirga served as section editors.

• The *Mississippian* advertising staff created a new monthly planner calender, which helped readers see what was in store for the next month.

In 1911 the first *Mississippian* name plate said, "May the Fates guide our destiny and see us to a successful landing." Staff, editorial, production, a advertising made sure through hard work that the paper enjoyed an extremely successful landing.

UMTV

At 4:15 p.m. while most University students are relaxing from a long day of classes, broadcast journalism students are making final preparations for their daily newscast. UMTV-12 News is a weekday 30-minute news program produced solely by journalism students. Although techinical production is part of class curriculum, most positions are voluntary. As one of the only fully-student run news programs in the nation, UMTV-12 News gives the students an incredible opportunity to get the hands-on experience of working in a news environment on a day-to-day basis; something unable to be taught by textbook.

Ole Miss Army ROTC

Ole Miss Army ROTC — Rebel Battalion. Army ROTC (Reserve Officers Training Corps) offers college students the opportunity to graduate with a commission in the U.S. Army, Reserves or National Guard. ROTC provides challenging, stimulating training in leadership and management.

The Rebel Battalion traces its roots back to the University Grays (a student corps in the Civil War), but was activated as an infantry training unit on March 11, 1936. ROTC was mandatory from 1954 to 1970, with over 1,200 cadets having been commissioned.

ROTC offers the unique experience of everything from intramural sports to fall and spring formals, patrolling at Lake Puskus to thrice-weekly PT.

Cadets look back on their days at Ole Miss and in ROTC with fond memories. HOO-AH!

Academy of Students of Pharmacy

ASP Officers:(left to right) Shan Parker, Julie Giddings, Stephanie Sims, Lea Ann Hughes, Donna West, Kim Young, Barbie Creager, Dayle Dillon, Chris MacLaurin

The Academy of Students of Pharmacy is the student association branch of the American Pharmaceutical Association, which is the national organization representing all pharmacists throughout the country. Locally, ASP is a service-oriented organization to the school and also to the community in which the school is located. In order to accomplish their many service projects such as blood pressure screenings, drug awareness programs, and medication review profiles, ASP establishes various committees in which each member is expected to take an active role. Through the committee foundation and executive structure of ASP, the hope is to obtain their organization's primary goal. Briefly stated, their primary goal is to prepare the professional pharmacy students for the leadership positions that they will ultimately inherit once they enter the community, state, and natonal setting.

Pre-Law Society

The Ole Miss Pre-Law Society was formed at the University of Mississippi in the spring of 1990, as a society and honorary, to aid students in their quest for legal studies. The society acts as an information clearing house and support group. It provides information on applying to law schools, and on LSAT test dates. Also, the society sponsors speakers from different areas of law, law studies, law school officials, and other related subjects. The Society inducts new members twice a year. These members are chosen on the basis of academic achievement, outstanding character, ability, and personality.

Wesley Foundation

The Wesley Foundation, Campus Ministry of the United Methodist Church, holds worship on Tuesday Nights at 6:30 p.m. in the Student Center located on Fraternity Row in front of C.M. "Tad" Smith Coliseum. Each week there is a free homecooked meal and then an hour worship experience. This is a fun and exciting time to encounter God's love and the saving grace of Jesus Christ. Wesley ministers to the needs of students through weekly discipleship groups, semester retreats, Christian fellowship on Thursday nights, and several service projects during the year. This is an inclusive ministry — all students are invited and welcomed. The Campus Minister, Rev. Wade Holland, is always available for counseling and assistance.

Church Of God In Christ

The University of Mississippi Church of God In Christ Fellowship began officially in 1984. It originated with a small group of students who desired to have a regular weekly service on campus.

The weekly service consists of topical discussions led by students. Bible study, guest speakers, and fun-filled activities dealing with spiritual themes.

Our goal is to provide not only fellowship for Christians but evangelical outreach to the University and Oxford community at large.

The fellowship meets on Tuesdays in the Union Room 403 at 7:30 p.m.

Student Alumni Council

The SAC, sponsored by the Ole Miss Alumni Association, is comprised of students who represent classes, academic departments, campus organizations, and geographical districts. The SAC acts as the "bridge" between the university's students and alumni. One of the principle goals of the council is to educate these representatives about the alumni program and all its functions. Through the SAC, students discover opportunities the association has to offer.

The Kappa Psi Pharmaceutical Fraternity is a professional fraternity for pharmacy students. The fraternity was founded in 1879 but was not established at Ole Miss until 1926. Kappa Psi has its roots in the medical community, but was split off to form the fraternity as we know it today. Beta Rho is the chapter of Kappa Psi here at Ole Miss and is one of the strongest chapters in the south. Kappa Psi has both male and female members abroad, but the Beta Rho chapter is all male. Our fraternity has many different functions and areas of service to both our university and our community. The Beta Rho chapter is active in many community service projects such as Adopt-A-Highway and Adopt-A-Friend. The fraternity also has a rich heritage of leadership and scholastic achievement. Kappa Psi is also an active participant in intramural activities. The fraternity was founded on four principles: fellowship, sobriety, industry, and high ideals. The Beta Rho chapter is proud of its accomplishments and strives to promote the profession of pharmacy.

Ole Miss Advertising Club

Editor's note: This organization did not schedule a picture before the designated deadline.

The Ole Miss Advertising Club was established as the local chapter of the American Advertising Federation. Members were able to hear speakers from Advertising agencies, graphic design firms, radio stations, television stations and newspapers on the future of business. The club also competed in nationwide advertising campaign competitions, combining the diverse talents of all the members, whether it be writing, designing or marketing. A part of the club, known as the Ole Miss Ad Agency, wrote and designed ads for local businesses on a nonprofit basis.

Black Student Union

The Black Student Union is an organization that is designed to promote participation amongst African American students in campus affairs. It helps to create an atmosphere in which African American students can feel confident when striving to achieve high goals and expectations.

The BSU sponsors many programs throughout each year. The Welcome Back program is an annual event which allows students to get acquainted with other students, administrators, faculty and staff. Through programming, the BSU addresses many issues concerning African Americans. The BSU also sponsors other activities and community service projects.

Eligibility is open to any student at the University of Mississippi who supports the ideals of programming to promote African American cultures and multi-culturalism. Presently, the BSU has 490 members and is growing every year.

The Associated Graduate Student Body (AGSB) works with faculty, administrators, and other student organizations to provide Ole Miss graduate students with opportunities for professional developement. This year, those opportunities included grant proposal writing workshops and a national teleconference on the future of graduate education. Monthly mixers also enable graduate students to meet colleagues from other areas of the university. By addressing common concerns of our membership, the AGSB strives to eliminate much of the unnecessary stress often associated with graduate student life.

Beta Alpha Psi is a national honor society and professional fraternity for students planning to enter the accounting profession. Beta Alpha Psi has a rich history, dating back to 1919, when the first chapter was established at the University of Illinois. Chapters of Beta Alpha Psi are established at institutions where accounting programs have reached a high level of academic and professional acheivement. Chapters are typically the outgrowth of local accounting honor societies and are carefully evaluated before they are installed.

OLE MISS

ΦΚ

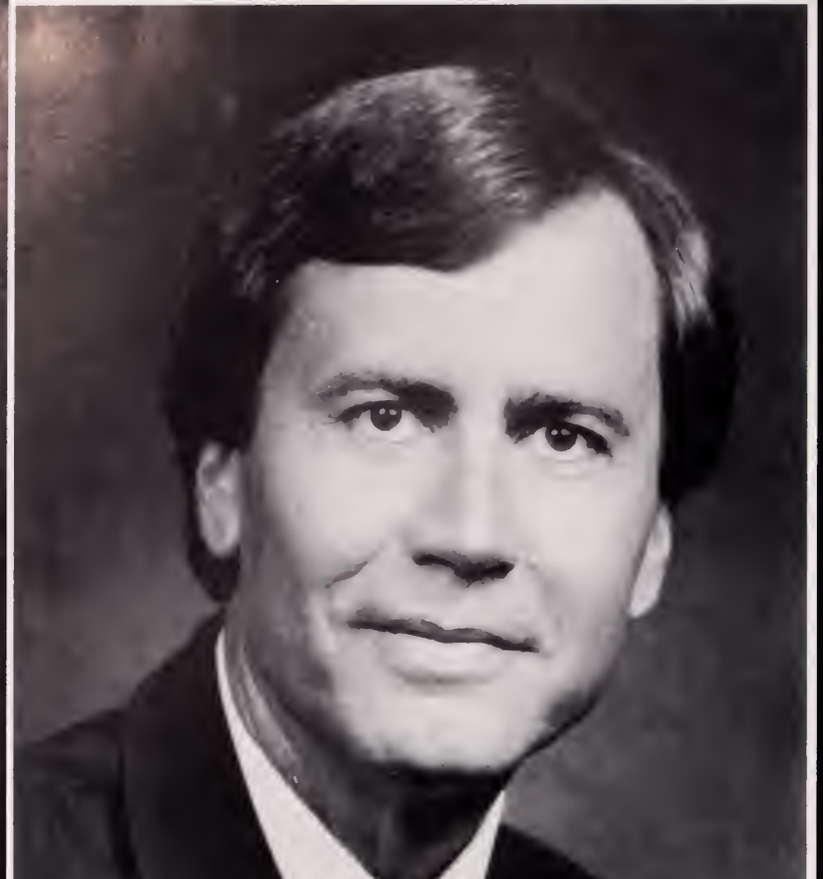

The University of Mississippi

times to remember

Dear Ole Miss Students,

The sounds of building construction seemed to be the hallmark of this school year — certain to be remembered as an eventful year at The University of Mississippi. You were here to share the experiences and were probably inconvenienced by closed streets, more limited parking areas and blocked traffic.

What I hope these construction projects come to mean to you and many other generations in the future is improved quality of life, as Ole Miss researchers, faculty members and students work to provide answers for the many challenges facing this state and nation.

Ceremonial shovels overturned dirt, and work began on the long-awaited $14.5-million expansion and renovation of the John Davis Williams Library. A new three-story wing on the west side of the library will almost double the library's size, enabling the University to provide improved library services to students and faculty. This project — expected to take over two years to complete — is critical to meeting the present and future needs of our undergraduate education program, our growing population of graduate students, and our vital and expanding research programs.

Work continued on the 100,000-square-foot, $23 million National Center for the Development of Natural Products, the third federally funded, national research center on the Ole Miss campus. The Center's purpose is to discover, develop and commercialize new drugs and agrochemicals derived from plants.

The School of Business Administration turned 75 years old and celebrated this anniversary with an event whose guest list was over 2 million. That's how many viewers usually watch William F. Buckley's Emmy-winning PBS television program "Firing Line," which was taped on campus just as the fall semester got underway. During the program, a distinguished panel of nationally and internationally known politicians and business leaders debated the issue: "Resolved: U.S. industry does not need protection." Many of the panelists participated in a special convocation, forums and seminars for students. This was just one of many events hosted on campus to prepare Ole Miss students to succeed in a business environment that is becoming increasingly globalized.

With $200,000 in private funds, the Ole Miss Business School created a computerized classroom in Conner Hall. The state-of-the-art facility provides students an opportunity to enter the business world with a real understanding of computer applications in the fields of economics, finance, marketing, management, and management information systems.

Foremost among a wealth of vital research during the 1992-93 academic year was the announcement of the discovery by scientists in the Ole Miss School of Pharmacy's Research Institute of Pharmaceutical Sciences of a new source from which to isolate the promising anticancer drug Taxol. RIPS scientists signed a $2.45 million agreement with the major pharmaceutical company Bristol-Myers Squibb to pursue the discovery.

When it came to finding money for their research, constructing new research facilities or providing fellowships for their students, Ole Miss professors and administrators set a new record this year. They received nearly $29 million in contracts and grants for such activities — the highest level of funding from outside agencies in one year in the University's history.

This year also saw Mississippi become the first state in the nation to establish a statewide literacy and job skills training program using satellite technology and a new cable television network. The $5.2 million program — called Project LEAP (for Learn, Earn and Prosper) — is a partnership between the University, the Governor's Office of Literacy and the Mississippi Cable Television Association and represents the largest non-construction grant ever received by Ole Miss.

A dedication during the spring semester opened an unusual reading room in the John Davis Williams Library — a room made possible by world-renowned book publisher Seymour Lawrence, who gave Ole Miss his private collection of books and papers. Signed first editions, photos, original manuscripts in the authors' handwriting, correspondence and memorabilia of some of the greatest contemporary writers — including winners of the Nobel and Pulitzer Prizes — are now available for students to enjoy and study.

Other milestones included the $3 million renovation of Barnard Observatory — which houses a world-class research center on the study of the American South — and the beginning of restoration of outbuildings at Rowan Oak — the historic home of author William Faulkner. Work is also underway on the $3.5 million athletic training center and field house renovation to serve all sports, as well as on a $800,000 renovation and addition to George Hall, which houses the Department of Communicative Disorders. During the 1993 spring semester, the University also began classroom improvements and modifications for the disabled estimated at $1 million.

With all these accomplishments and works in progress, the future holds even more promise. One of our most important goals for the coming years is to make a major effort to enhance the classroom experience. Vice Chancellor for Academic Affairs Ray Hoops is chairing a committee to evaluate the undergraduate experience at Ole Miss. A number of recommendations, such as reducing the student-teacher ratio in lower-division courses, are expected to come out of this study and, when implemented, will be very positive for students.

And, yes, as major construction projects continue and are completed, other work is planned. Two goals, for example, are to add a $2 million wing to Lewis Hall-which houses the Department of Physics and Astronomy-and a wing to Conner Hall — which houses the School of Business Administration.

As students and alumni gather in the Grove and in Vaught-Hemingway Stadium for the 1993 fall football season, we will celebrate a "Century of Heroes" -the 100th anniversary of Ole Miss football. From the numerous activities being planned for that observance, we will move right into a sesquicentennial celebration of the founding of the University(February 1894) and the opening of the University(November 1898). Highlighting this four-year period will be a major fund-raising campaign to enhance academic endowments, library holdings and student scholarships.

As some of you leave Ole Miss as 1993 graduates, I bid you much success in your chosen fields. As new alumni, I hope to see you attending all the exciting events ahead and hope you will be forever active supporters of your university.

R. Gerald Turner

Well, I never thought the day would come when I finally wrote my last words about the *Ole Miss*. (Maybe I'm not, if this whole job hunt doesn't become more profitable the old standby grad school is only an application away.)

I asked Dayle to have a little space to thank a lot of people than I've worked with since my 3 years with the annual. If I don't talk to about you here directly I apologize, it's not because I didn't appreciate you it's just my carelessness.

The first and biggest thank you I can extend has to be to Traci Mitchell. The reason you see a DM, hear U-92 on the air, watch Channel 12 news, or get a yearbook is because of her understanding ear and ability to juggle 100 nagging students and one persistent Todd. Traci you gave me the opportunities, encouragement, and advice that led me through the last two years of college and for that I will forever be indebted. Special thanks to Gale Denley who let us make this a learning experience. I appreciate you letting us make the decisions we did and then backing us fully.

To my mother and father. You have given me the power to make my life whatever I want it to become and for that I will never be able to repay you. Thank you for being the best family a son could ever want.

A lot of praise should also be given to Kathy Wright of Taylor Publishing Company. You always knew how to bring a smile to my face. You put up with a very persistent business manager and never once a complaint about a favor, problem or just a question.

You are what Customer Service Reps are all about. Hats off to Brenda also, it's people like you that make the world move.

Tammie, a paragraph of your own. For this entire year you've put up with me and that's not an easy task. Your hard work should not go unnoticed, for without you this book would have never happened.

To Traci, Garth, Jonna, and Dana your help in the office was fabulous. You are the people that made this book as good as it was. You are also the ones that don't and won't ever get the credit you deserve. Thank you.

To Lope, Stinky, Tyson, and Lizard, you have been four great friends and an interesting group at that.

Thanks for all the memories.

To Todd Vinyard at the DM who always had a great ear or a great story, thank you for making this last year even more interesting. For all those people that think U.P.D. are nothing but heartless, get to know Jody, Kevin, or James. I think you'll be suprised at how human and friendly these people are. Thanks guys for all the conversation at the games and on the campus.

Last but not least a thank you to two guys that always kept me ABREAST on everything. The Dot.

I asked Dayle yesterday whether she was sad this was all coming to end and she resoundely said NO! But when asked if she would do it again came a timid yes. I don't know what that has to do with thanking people but I guess it's because I am sad it's almost over. The people I've met and worked with have enlightened me to a point with no end.

Thank you OLE MISS.
Todd

Editor's Closing

It's hard to believe that just a year ago I had such little idea of what I was getting into by running for editor of the yearbook and now I have little left to do to complete it. Deciding to run for editor was a very difficult thing to do because although I wanted to do it, I was hoping that I would be in my first year of Pharmacy School this year, too. To say the least, it has not been easy to balance the two. I would have never been able to do it without the help of many people.

First, I would like to thank my family for their support of me, even though I probably scared them to death when I told them that I wanted to become editor. Your support means a lot to me. I would also like to thank my fiancee', Steve, who is also my sports section editor. I would have never even run for editor if you would not have encouraged me so much and given me the confidence that I needed. Thanks also for a great job with the sports section and for putting up with my nagging about deadlines all of the time.(and probably nagging in general!) I love you.

While I'm on the subject of nagging, I'd like to thank my business manager, Todd Inman. I know that you listened to just as much nagging, whining, and complaining as Steve, if not more. I couldn't have made it without you! (even though you're a little more serious at times than me, and you dress up too much — Just Kidding!) I would've never found time to do all of the things that you did to help me get the book finished. I know that I was probably not the easiest, or funnest, person to work with but I really appreciate all of the long hours and hard work that you put into this book. It's just as much yours as it is mine.(Well, maybe 60-40) Seriously, I do thank you very much for all of your help. I couldn't have asked for a better person for the job.

Next, I would like to thank my advisors, Traci Mitchell and Mr. Gale Denley, for their confidence in me and my staff. I would also especially like to thank all of our office workers for all of their help and hard work. Tammie, Garth, Michael, Traci, Jonna, and Dana, we couldn't have pulled it off without you. None of you will ever realize how much you helped me out and I appreciate all of the many things you did for me. I know that all of you got tired of going to the bookstore for sharpies, calling people all the time, proofing and listening to complaints from everyone, but none of you ever did any complaning of your own. Thank You!

I would like to thank all of my section editors for their hard work and especially for being on time: Angie, Christina, Heather, Katie, Margaret, Robin, Shannon, Steve and Tonya. You all did a great job and I couldn't have made all of the deadlines on time without each of you doing your part. To all of my staff and photographers, your work is very much appreciated, not only by me but also by the section editors, and you all did a wonderful job. Thanks to the photographers for all of the great pictures. I hope that you will all return next year to help out with Volume 100.

To my roommates Margaret and Tanya, and my best friend Heather, thanks for listening. I know that y'all got sick of all of my complaining even though you wouldn't admit it for anything. Thanks also for all of the support you gave me when I needed it. Marge, thank you for the great t-shirt design-it was exactly what I had in mind but couldn't draw myself. The three of you mean a lot to me and I'll never forget all of your help and encouragement.

I would also like to thank everyone at Taylor who helped us out. Dolores Landin,

thank you for helping me design my cover, endsheets, title page and division pages. Also I'd like to thank Kathy Wright for helping us out when we had mistakes, Greg Williams, and Ben Allen. Special thanks also to Caron Kay Blanton for relieving my fear of and getting me started on the computer.

I hope that this book will help you relive the 1993 year at Ole Miss by capturing all of the special events that took place throughout the year. It has been fun, but hard, to produce this book but I wouldn't trade the experience for anything. I apologize for any mix-ups or mistakes, but no one is perfect and no yearbook is either. Thanks again to everyone who had a part in the book. I hope that I have successfully put together a yearbook full of **times to remember.**
